THE WAYNE-WESTLAND Library will hold storytime programs for preschoolers starting Tuesday, Oct. 15, and continuing on subsequent Tuesdays until Nov. 19.

The program will be held at 9 a.m. each of those Tuesdays and will include music, fingerplays, storybooks and more, said Kevin Hutchinson, children's librarian.

There is no charge but advance registration must be in person between Oct. 7-12 at the library on Wayne Road at Sims. Wayne. The program is geared for children between 3 1/2 and 5.

Those interested can call Hutchinson at 721-7832.

THE WIDMAN Foundation, named for a Wayne businessman, will award grants to groups which specialize in helping the developmentally disabled. The presentation will be at a luncheon scheduled for Wednesday, Oct. 16, in Dearborn Heights.

The foundation, formed nine years ago after Aloysius Widman, offers short-term, one-time only funding for proposals involving new approaches to helping, teaching and training those with developmental disabilities.

WESTLAND'S Jack Brislin wants local people to attend a Detroit Astronomical Society program Friday to see slides of a total solar eclipse at the Southfield Civic Center recreation building, Room 224, on Evergreen between 10 and 11 Mile roads.

The program will start at 8:15 p.m. and continue to about 10 p.m., Brislin said.

He said there were will be a short explanation of eclipses and slides of eclipse effects and flares.

There is no admission charge.

Those interested can call Brislin at 455-7827 during the day or at 484-5015 at night.

THIRTY-FIVE Westland students were named to the Madonna College dean's list for the past term.

They are Gail Bell, accounting senior; Christina Berns, ASC-med lab technical core freshman; Paula Berwanger, sign language studies senior; Elizabeth Borgel, social science senior; Linda Burt, legal assistant senior; Pamela Busehart, social work senior; Ronald Case, management sophomore; Darla Cooklin, legal assistant senior; Cynthia Cook, child development senior; Christine Czarnik, computer science junior.

Also Regina Dege, English senior; Christiane Dines, nursing senior; Leigh Dresser, learning disabilities junior; Kathie Jones, nursing senior; Steve Knapp, criminal justice senior; Nancy Kolpacki, child development senior; Gail Lacourse, nursing freshman; Lori Leach, nursing freshman; Michelle Magreke, biology senior; Deborah Masse, business administration junior; Sean McCusker, marketing senior; Kimberly Mehl, legal assistant senior; Jennifer Mondro, general dietetics junior.

Also Del Paquin, child development senior; Andragayle Pye, music education senior; Kelly Ramseyer, general dietetics senior; Debra Schurig, marketing senior; Nicole Shewman, nursing senior; Vicki Sorensen, SSC-history core junior; Theresa Terres, biology senior; Lisa Thomson, commercial art senior; Tracy Tyre, business administration freshman; and Wanda Yenkei, legal assistant senior.

Woman faces 3 charges in rental scam

By Darrell Clem
staff writer

A Westland woman has been charged with accepting rent money from several families who paid cash to live in the house she was vacating, and then leaving before the would-be tenants — some toting their belongings — showed up to move in, police said.

"We've got some really upset people," said Westland Detective Sgt. Tim Speir. "This hurts the poor people. Some of them left their last place and had nowhere to go."

But authorities captured the woman after one potential tenant trailed her to her new residence and then told police where they could find her.

In what police called a rent scam, Lynn Chambers, 40, faces three counts of defrauding people of money she accepted as the first month's rent on a house at 7950 August, near

Middlebelt and Ann Arbor Trail in Westland's northeast section. The owner had earlier ordered Chambers to move or be evicted.

Chambers was arraigned Wednesday in Westland's 18th District Court on two felony counts of taking money under false pretenses and one misdemeanor count of the same charge. If convicted, she could face up to 10 years in prison and a \$5,000 fine on each felony count, and up to 90 days in jail and a \$500 fine on the misdemeanor.

Ex-firefighter denies stealing

By Darrell Clem
staff writer

Former Westland firefighter Mark Wilhide testified Monday that he didn't consider it stealing when he took personal property belonging to an apartment tenant he helped evict.

Wilhide, fired last October over the incident, said he had been told by his supervisor, Paul Bush, that property removed during an eviction was considered abandoned once it was set on the curbside.

"I wasn't a thief. I was a garbage-picker," Wilhide, 29, said Monday, testifying during a fourth and final day of arbitration hearings at city hall to determine whether he should

get his job back and receive retroactive pay.

Arbitrator Robert McCormick is expected to issue his ruling by late November.

Wilhide and Bush were fired last Oct. 3 amid accusations they stole property belonging to Elaine Botz, a former tenant of Hawthorne Club Apartments on Merriman Road between Warren and Ann Arbor Trail. Wilhide assisted Bush, who was acting as a bailiff for Westland's 18th District Court.

In March, the Westland civil service commission reinstated Bush, a former fire department battalion

Motorcycle crash claims gymnast

A Westland gymnast with Olympic promise died late Friday night in a motorcycle accident in Iowa City, Iowa.

Iowa City police reported that Jason Whitfield, 17, a former student at Livonia Franklin High and the youngest member of the U.S. Senior Olympic Development team, lost control while driving a borrowed motorcycle near the parking lot of an apartment complex.

He left the roadway, went down an embankment and into a bushy area near railroad tracks. Attempts to revive him by the Johnson County Ambulance, the Iowa City Fire Department and the University of Iowa

Hospital were unsuccessful.

The accident occurred at 11:30 p.m.

Family, friends and neighbors are grieving the loss of Whitfield, who was one of the nation's rising young stars among male gymnasts. He finished 24th out of 48 competitors at the U.S. Gymnastics Championships in June at Cincinnati, Ohio. He was also a member of the gold medal-winning team at the U.S. Olympic Sports Festival in Los Angeles in July.

Whitfield had recently moved to Iowa City to continue training under longtime coach Kurt Golder. The two had worked closely together at the Genesee Valley Gymnastics

McNamara balks at new districts

By Wayne Pool
staff writer

A court showdown appears likely over new Wayne County Commission districts.

Wayne County Executive Edward McNamara is expected to file suit, as soon as this week, unless the county apportionment commission alters the district changes.

McNamara claims several new districts were drawn for the express purpose of weakening his supporters on the commission.

"The new districts are quite clearly a plan to penalize people who supported Edward McNamara," deputy county executive Michael Duggan said.

But reconsideration isn't likely, according to the woman who chaired the five-member apportionment commission.

"AS FAR as I'm concerned, the committee's job was done when the new districts were adopted (Sept. 18)," Juliette Okotte-Eboh said.

The new districts are supposed to go into effect for the 1992 election. They are deemed controversial because they would pit two local commissioners against each other while radically altering the district of another.

Incumbents Bryan Amann, D-Wayne and Maurice Breen, R-Plymouth Township, would face each other in a redrawn 10th District.

That district would include Plymouth, Northville, Northville Township and Canton. The district would also include a small section of Livonia west of Farmington Road, south of Lyndon.

Amann currently represents Canton. Breen currently represents the Plymouth/Northville area, as well as all of Livonia.

Under the new districts, the balance of Livonia would be joined with Redford in a new 9th District. The district, which currently includes Redford and a small section of Detroit, is represented by Kevin Kelley, D-Redford.

Club near Flint. Golder recently was named an assistant coach at the University of Iowa, where Whitfield planned to enroll for the fall of 1992.

AMONG THE FAMILY survivors are parents, Jim and Cathy and a sister, Jenny, a member of the Schoolcraft College women's soccer team.

"Jason was very excited about his life. It was perfect as it could be," said Jim Whitfield from his home on Saturday. "He was so happy. We had just talked on the phone the other day."

"We couldn't have been on better terms. Our relationship was perfect. We were bonded. He listened to me. I was more or less his psychological mentor. We had just talked the other day about how he could strengthen his legs."

Whitfield, who had a semester of high school to finish, was training vigorously for his next big competition, the Winter Nationals, a pre-Olympic event (in February), in which he had hoped to finish in the

top 20.

"Jason was devoting full time to the Olympics," Jim Whitfield said. "He was always fired up and always wanting to do better. He liked to compete."

"He was very goal-oriented and had accomplished everything he set out to do until this point."

Whitfield was an all-around gymnast, but excelled on the vault, where he finished only .125 points out of third place and a bronze medal at the U.S. Championships.

"He's always been high spirited in a sense and a thrill-seeker, but in a constructive way," Jim Whitfield

said. "I always tried to instill in him to be sensible. I discouraged him from taking risks and getting thrills, but that's why he became a good gymnast. He was always willing to try new things."

JIM WHITFIELD said that many of the Iowa team members used motorcycles to get around campus.

"I guess there's not many places where you can park your car, so all the guys on the team all have cycles," said Mr. Whitfield. "Jason was just trying out a bike in the parking lot. It had just been repaved, and I guess there were some speed bumps."

"Jason was like any kid. It's the case of the 'never happen to me' syndrome. You just don't think something like that would happen. It's the normal growing process you go through. I would have probably done the same thing when I was his age, testing a bike in a parking lot without wearing a helmet."

Visitation for Jason Whitfield will be from 8-9 p.m. Tuesday and noon to 9 p.m. Wednesday at Fairlane Central, 22575 Ann Arbor Trail, Dearborn Heights.

Viewing will be from 9 a.m. to 10 a.m. Thursday at Fairlane, with a service following. He will be buried at Mount Hope Memorial Gardens, 17840 Middlebelt, Livonia. A luncheon will follow at Fairlane. Memorial contributions should be sent to the family (no flowers please).

"I don't know why Jason's not walking the face of the earth and I'm still here," Jim Whitfield said. "He was just a very compassionate and super kid. You had to love him because of the human being he was."

chief, but it demoted him two ranks and refused to grant his request for back pay.

WILHIDE HAD initially planned to go before the civil service commission, and his case was to be heard after Bush's. However, Wilhide changed his plans and decided to enter into arbitration hearings.

On Wednesday, city attorney C. Charles Bokos accused Wilhide of deciding to avert the civil service commission on the eve of the panel's ruling on Bush because of "advance knowledge" of the Bush decision.

Wilhide denied the accusation, though he told Bokos he couldn't remember when he decided to seek arbitration instead of appearing before the civil service panel.

During the hearing, Wilhide admitted that he took a typewriter, a lawn chair, two footlockers, an air mattress and bedding sheets belonging to Botz, who filed a police complaint following the incident.

"They would have been damaged in the rain," Wilhide said. Botz had not been to the apartment for several months prior to the eviction and was not there when her property was moved out, police have said.

Wilhide also said he took a microwave oven that he later turned over to Bush.

However, Wilhide testified that he didn't know he had erred until Westland police Sgt. Russell Nowaczek began questioning him in July and warned him of possible larceny charges. In one discussion, Nowaczek told Wilhide that Bush wanted to pin the blame on him, Wilhide said.

"AT THAT time I was real worried, and I just kind of sat back and didn't say anything. I was shocked," Wilhide said.

Under questioning from Ann Hildebrandt, an attorney who represents the Westland firefighters' union, Wilhide said he had never been given any written rules on how to conduct an eviction. He was taught the process by Bush, he said.

On Wednesday, Hildebrandt called to the stand a local apartment manager, Daniel Rushlow, who said he had been assisted by Bush on numerous evictions. Rushlow testified that neither he nor his workers ever take personal property of tenants.

Bokos charged that Rushlow's testimony "backfired in their faces."

Meanwhile, Bokos and Hildebrandt must file their legal briefs in the case by Oct. 25, and the arbitrator then will have 30 days to issue his ruling.

McNamara challenges redistricting plan

Continued from Page 1

Dearborn and William O'Neil, D-Alten Park, would also face each other in a redrawn district not involving Observer communities.

"Our four biggest supporters on the district are Bryan Amann, Kevin Kelley, Susan Hubbard and Bill O'Neil," Duggan said. "Now, Bryan's in a district that's 65 percent Republican, Kevin's in a district that's 60 percent Republican and Hubbard and O'Neil will have to face each other."

The county executive isn't the only official calling for change.

County Prosecutor John O'Hair, a member of the five-person committee that drafted the new boundaries, called for reconsideration almost as soon as the new boundaries were adopted.

"RECONSIDERATION of the plan is critical," the prosecutor wrote in a letter to Okotie-Eboh two days after the new districts were announced. O'Hair said he voted in favor of the new districts, "so as to preserve my right to seek reconsideration."

But Okotie-Eboh, a member of the Detroit planning department, said

the districts were fairly drawn.

"Even before we began drafting districts, we looked at the county charter and the (federal) Voting Rights Act," she said. "Nowhere in those documents is there any word about protecting incumbents."

Instead, she said, the committee adhered to a self-adopted list drawn from federal statutes and case law.

Assuring minority representation equal to the county's minority population, while keeping cities and townships intact were key goals, Okotie-Eboh said.

State law gives aggrieved parties the right to file with the state Court of Appeals, chief deputy county clerk Marya Sieminski said.

But even critics admit it could be a tough fight. Amann said he hoped the issue could be resolved without going to court.

"If there's a plan, and if it's adopted, it's going to be much harder to challenge," Amann said. "But I'm not giving up yet."

Amann continues to promote a redistricting plan, also supported by Kelley, that would alter suburban districts in different ways.

That plan would turn Kelley's current district into a Redford/Dearborn Heights/Inkster district. It

would place northern Livonia in Breen's district, while giving southern Livonia to Kay Beard, whose current district includes Westland, Garden City and Inkster. This proposal follows boundaries now used to divide U.S. House seats held by Carl Pursell, R-Plymouth, and William Ford, D-Taylor.

Kelley also said he was disappointed in the new districts.

"I'm not disappointed to be representing Livonia, but I do feel our plan was better," he said.

The new districts, Amann charged, were the outcome of a conspiracy between Republicans and Detroit Democrats.

But Breen, the commission's lone Republican, said it wasn't so.

"There were four Democrats on the apportionment committee and only one Republican," Breen said. "The Democrats had to work out their own differences."

Okotie-Eboh was the Democratic Party appointee to the commission. Wendy Lamb, an aide to state Sen. David Honigman, R-West Bloomfield, was the GOP appointee. O'Hair, county Clerk James Killen and county Treasurer Raymond Wojtowicz were the other members.

Not all local commissioners were

unhappy with the results. Breen said he was pleased with his new district.

"There's a lot of things that tie Plymouth and Canton together," he said.

Beard, whose district remains unchanged, was also pleased.

"I can understand why some commissioners are upset," she said. "But if you look at all the criteria used, the districts look pretty solid."

Amann said he is now considering "moving a few blocks up the road" to Westland to challenge incumbent Beard for the 12th District seat.

"He has that right," Beard said.

You can't read and you need medicine. What do you do?

Twenty million Americans are functionally illiterate.

This means that they cannot read or understand the printed word. They cannot fill in a form, write a check, or figure out a map or street sign. And medicine bottles—"take two every day, may cause drowsiness"—these instructions and warnings are useless. Dangerous.

Imagine yourself in this situation. Perhaps someone would read the prescription for you. Or perhaps you'd rely on your memory after questioning the physician or pharmacist. But they think you can read, so they may not give you all the instructions.

Pretty scary, isn't it?
How can you help?

A long line of seniors waited for their turn to get flu shots.

A shot in the arm

Record number of senior citizens receives flu serum in city program

A RECORD 150 people turned out Thursday for the Westland senior resource department's annual flu shot program for senior citizens. Director Sylvia Kozorosky-Wiacek said the number of shots given is limited to the amount of serum available, but she didn't want to turn anyone away.

But the line at the Westland Friendship Center, 1119 N. Newburgh, kept getting longer. Besides those with appointments, there were about 25 walk-ins, she said.

But about 1:30 p.m., she had to cut off the line. The shots, which cost \$5 each, were given by Oakwood Hospital personnel.

The program was sponsored by Oakwood Hospital and the senior resources department. After the shots were given, people were given bananas to boost their potassium.

The director said that those who couldn't get their flu shots Wednesday can call Annapolis Hospital in Wayne (467-2530) and make an appointment for Oct. 7, 9, or 10. The hospital is on Annapolis west of Venoy.

Bananas to boost potassium levels were given to Joseph Kilyanek after their received flu shots.

2 men waive exams, face trial in break-ins of area businesses

Two men who police believe spent their summer breaking into 55 businesses in Westland, Garden City and several other area communities waived preliminary examination Thursday in 16th District Court and were bound over for trial on three Livonia burglaries.

Eric James Goss, 27, of Saline and Terrance Nelson Gurney, 19, face arraignment Oct. 3 in Detroit Recorder's Court.

Judge James R. McCann of Livonia continued a \$10,000 bond for

each defendant and remanded them to the Wayne County Jail.

Goss and Gurney pleaded innocent to three counts of breaking and entering, a 10-year felony, after their Sept. 7 arrest in an apartment complex parking lot near Seven Mile and Farmington in Livonia.

They are charged with a break-in that morning at Flowers from Joe's and earlier break-ins at stores in the Stark Plaza shopping center, Plymouth Road at Stark.

Employees at the Stark Plaza stores reported \$410 stolen and more

than \$1,000 in damages as a result of the Aug. 26-27 incident.

Police in Canton Township, Garden City, Westland, Brighton, Ann Arbor, Van Buren Township and at least four other communities are investigating the defendants in connection with break-ins in those communities, according to Michigan State Police.

Police said the suspects often broke into a strip shopping center through the roof and burglarized several adjoining stores.

Man, 67, hurt when truck flips

By Darrell Clem
staff writer

A 67-year-old Westland man whose pickup truck flipped over during a two-vehicle accident remained in guarded condition Friday at Annapolis Hospital in Wayne.

The man, whose name was being withheld pending an investigation by Westland police, received multiple injuries, including head and chest injuries, when his Ford Ranger pickup rolled over after it collided with another vehicle about 8:18 a.m. Thursday, police said. The accident occurred at the Newburgh-Cherry Hill intersection.

"He was partially thrown out of the (driver's) window, and part of the truck landed on top of him," said officer Thomas Hissong of the Westland police department's traffic bureau.

A 22-year-old Westland man who drove the second vehicle, a black Mustang, was treated for minor injuries and had been released from the hospital on Friday.

"HE LOOKED like he just lost a few teeth," Hissong said.

The accident occurred as the 67-year-old was driving his pickup south on Newburgh and the 22-year-old was heading west on Cherry Hill. It appeared that one of the drivers

ran a red light, but the investigation hadn't been completed last week and no charges had been filed, Hissong said.

"There certainly could be a charge," he said.

Sgt. Peter Brokas said the 67-year-old driver received a serious eye injury during the accident, but he added that Annapolis doctors apparently saved the eye.

Both vehicles were extensively damaged, Hissong said.

During the accident, the pickup truck smashed into the front fender of the Mustang and then overturned. Both vehicles came to rest near the northwest corner of the intersection.

Local man questioned in robbery string

A Westland man suspected of being involved in a string of recent armed robberies in western Wayne County was arrested by Livonia police Wednesday morning.

Three Detroit men riding in the same car were also arrested.

The Westland man, 31, was stopped by a patrol officer at 10:45 a.m. on southbound Inkster Road following a traffic violation.

A Law Enforcement Information Network check of the 1983 Dodge sedan revealed no record on file and the car was being driven "with no keys in the ignition, leading police to believe it was stolen."

The Westland man matched the description of the hotup suspect and he was carrying a gun that matched a description of the one used in the

robberies, police said.

The man was carrying \$500 cash and one of his acquaintances had more than \$700 on him, police said.

Asked where he got the money, the Westland man told police he had just cashed his paycheck. In a later statement he told police he was unemployed before changing his story, again, according to police reports.

Flower, garden class for seniors set

An orientation for a class in how to care for house plants and flower gardens will be held at the Westland Friendship Center, 1119 N. Newburgh near Marquette, Wednesday. Robert McFarling will be the instructor for the initial session, to

start at 12:30 p.m. "If you have house plants, flower gardens or any kind of interest in plants, this class will be of interest to you," said Sylvia Kozorosky-Wiacek, Westland senior resources department director.

Anyone interested may register for the class in advance or just drop in, the director said. The class will be in Ifall C of the Friendship Center. At the orientation, students will discuss the scheduling of the balance of the classes.

Woman charged in house rental scam

Continued from Page 1

Chambers remained in jail last week because she failed to post 10 percent on a \$10,000 personal bond. She has been scheduled for a preliminary examination Thursday to determine if she should stand trial on the charges.

THE ALLEGED scam began when a woman placed an advertisement in the Observer for a three-bedroom house, with full basement, in the Livonia school district. She asked for \$575 a month, said pets were allowed, and indicated that the security deposit would be waived if the tenants painted inside.

The woman, who used the name Kelly Kent, lied to would-be tenants when she told them she was the owner's girlfriend and that he had ordered her to accept only cash payments for the first month's rent, Speir said. At least six people from Westland, Garden City and Redford Township paid the woman and were given receipts, he said.

One potential tenant, Donna Piccolo of Redford, became suspicious after the woman refused to accept a personal check. Piccolo, who works for a private investigating firm, did some research and learned that the woman had lied about the house, whose real owner, Michael Barnes, also was a victim, police said.

On Saturday, Sept. 15, Piccolo drove by the house and saw that the woman was moving out — one day before she had told several tenants

they could begin moving in. Piccolo followed the woman to her new residence on Cheboygan Street, in the opposite end of town.

THE NEXT day, Piccolo went back to the August Stroel residence, where several families showed up to move in — only to find out they had all paid money on the same house, police and Piccolo said.

"It was so sad," Piccolo said. "They were crying and threatening to break in the house. They were determined to move in. Two of the families had their trucks all loaded up. One couple had young kids and had to be out of their house that day."

"I sent everybody to the police department," Piccolo added.

Afterward, the owner gave Piccolo permission to enter the house that Sunday and handle telephone calls from people who either wanted to talk with the woman or already had.

Speir said he doubts that the people who paid money to the woman will get refunds. The case prompted him to issue a strong warning: Never pay cash to move into a residence.

SPEIR CREDITED Piccolo with helping police make an arrest in the case. But Piccolo, who has investigated everything from crack houses to custody disputes, just took it in stride.

"When I get my hooks into something, I don't let up," she said.

"I just didn't want to see other people taken."

Hospital will give free tests

Annapolis Hospital in Wayne, which serves Westland and Garden City, is offering numerous health tips for local families.

Among them are:
 • For men over 40: One simple test can save your life. Prostate cancer is the most common form of cancer among men in the nation. Early detection and prompt treatment are the key factors in the control and possible cure of the disease. In an effort to combat prostate cancer, Oakland urologists are offering free prostate screenings on Wednesday, Thursday and Friday at Annapolis Hospital, on Annapolis west of Venoy.

• "Whether you have cancer or love someone who does, coping with the disease always is difficult," said a hospital spokeswoman. "To help cancer patients and their families deal with the physical and emotional effects of this disease, Annapolis Hospital is offering 'I Can Cope,' a six-week cancer education course."

The course meets on six consecutive Wednesdays beginning this week and continuing through Oct. 30, from 7:30-9:30 p.m., in Conference Room 1 at Annapolis Hospital. Preregistration is required. For information, call the Annapolis Social Work Department at 467-4365.

• For runners, Annapolis is sponsoring its first eight-kilometer Red October Run, Saturday, Oct. 5, beginning at the hospital grounds. A two-mile, non-competitive fitness walk will also be featured. All participants will receive custom-made T-shirts, cider and doughnuts, blood pressure screenings, and health education literature. Special awards will be presented to winners. There is a fee. For information or to obtain an entry blank, call 467-2530.

Oakland University called best buy

Oakland University in Rochester is named a "best buy" by U.S. News & World Report in its Sept. 30 issue on "America's Best Colleges" available on newsstands beginning today.

The U.S. News rankings are based on the best values only among highly rated schools, according to a magazine press release.

Oakland University with a tuition of \$5,890 is rated second in the cate-

gory of Midwest regional colleges and universities behind Northeast Missouri State University, tuition \$3,504 and ahead of Michigan Technological University in Houghton with a tuition of \$5,907.

The only other Michigan school named in the report is Hillsdale College which is ranked third among Midwest regional liberal arts colleges. Tuition at Hillsdale is \$9,400.

For public institutions, the figures reflect out-of-state tuition. Room and board and other costs, such as books, have been excluded.

The magazine's "Guide to America's Best Colleges" — an expanded version of the magazine report — will be available at newsstands and book stores beginning Monday, Sept. 30 and remain on sale until June, 1992.

Reward for dog's killers boosted; still no tips

Continued from Page 1

Humane Society officials still have no suspects in Bear's death, despite a \$1,400 reward being offered by the humane society. That amount has increased dramatically from the \$100 reward that had initially been offered.

"The problem has been getting someone to come forward and point the finger on the perpetrator," Gary Tiscornia, a humane society spokesman, said Friday. "To date, we have not had anybody come forward with anything we could go to the (Wayne County) prosecutor's office with."

Bear was killed about 3:10 a.m. Saturday, June 15, in a path behind the Johnson home. Earlier that night, a neighbor had seen two male

teens teasing the dog by throwing firecrackers toward a pen where it was kept.

Bear escaped at one point, but was captured and placed back in the pen at about 1:30 a.m. Two hours later, police knocked on the Johnsons' door and told them that the dog had been found dead.

Police found a "substantial amount of blood" on the scene. A long slash was found on the dog's stomach, and police speculated the cut may have been made by broken beer bottles found near the scene. The dog's head also had been crushed by a blunt object.

The Michigan Humane Society has urged that information about Bear's death be reported either to the humane society, 872-3400, or Westland police, 722-9600.

Man sentenced in bank robbery try

A Westland man has been sentenced to 46 months in prison after pleading guilty to a charge of attempted bank robbery.

Yusef Dughman, 32, was arrested by Garden City police Jan. 28 in connection with the attempted robbery of the National Bank of Detroit branch on Merriman south of Warren.

"The evidence established that Mr. Dughman, previously a convict-

ed felon, walked up to a drive-up window at the bank," said assistant U.S. attorney Charles Holman, III.

"Mr. Dughman then presented the teller with a note which read: 'I'm wearing a bomb, if you don't but \$5,000 in the bag, I'll set it off in 10 minutes.'"

Lead commander Michael Bertha, then a lieutenant, was the first officer to arrive at the bank and arrested Dughman as he continued to wait at the drive-up window after the

teller accepted the note.

The U.S. attorney's office said that Dughman underwent mental competency examinations twice prior to reaching an agreement to plead guilty in the case.

Dughman, who had been paroled for felonious assault in April 1990, has been in custody since his arrest. Dughman is currently being held in the Wayne County jail and it has not been determined where he will serve his sentence.

Haunted house volunteers wanted

Want to volunteer for a haunted house?

Then the Westland Jaycees are looking for you to volunteer in the chapter's annual haunted house project.

Volunteers must be between 21 and 39 and willing to work in the house which will be open Oct. 10-31.

It will be located this fall in the former county animal care clinic on the former Elouise hospital grounds, north of Michigan, between Merriman and Henry Ruff.

Proceeds will be used mainly to support the Jaycees' community service activities. Ten percent will be

donated to the new Wayne County family shelter for homeless parents and parents, said Cheryl Booterbaugh, Jaycees' spokeswoman.

Interested persons may contact Cheryl Booterbaugh at 729-5083 or the Jaycees through their hotline number of 722-1630.

Protest begins new pro-life demonstrations

By Larry O'Connor
staff writer

Two demonstrations Saturday might be classified as just preliminaries to what looks like an intensifying battle over the legality of abortions.

An estimated 70 people representing both pro-life and pro-choice sides lined up in front of Botsford Hospital on Grand River Avenue Saturday morning. Pro-life activists were protesting the hospital's policy of performing abortions and the alleged recent death of a Detroit woman at the hospital due to complications from one.

Later, 35 demonstrators picketed near the home of a Bloomfield Township physician who reportedly performed the abortion. The protest drew the ire of neighbors who said their privacy was being invaded.

OTHERWISE, BOTH demonstrations were relatively peaceful with no arrests made. However, with an Operation Rescue planned for Oct. 19 at area abortion clinics, things could become volatile.

"We're going to make the issue of abortion more personal," said Lynn Mills, a Livonia resident and spokeswoman representing 50 pro-life activists in front of Botsford Hospital Saturday. "We're going to step up activities against people who perform abortions."

"The abortion rights issue is going to heat up in the next month," said Eileen Scheff of Detroit, spokeswoman for Coalition to Defend Abortion Rights, which had 20 members turn out in response to the pro-life demonstration at Botsford. "This is a precursor."

PRO-LIFE AND pro-choice activists began to congregate at 9:20 a.m. Both sides held up signs as traffic passed by on Grand River Avenue. No attempts were made to impede cars entering or leaving the hospital.

Mills said the main purpose was to make people aware of the death of a Detroit nurse Aug. 1 due to the complications from an "elective termination of pregnancy," which Mills said was performed at the hospital. Photocopies of the death certificate were handed out to passers-by.

'We're going to make the issue of abortion more personal.'

— Lynn Mills
pro-life activist

Margo Gorchow said she is aware of the situation. "There's a degree of risk in all surgical procedures," she said.

The doctor is a member in good standing at the hospital, Gorchow said, and no action has been taken against him because of the death.

LT. MARTIN Bledsoe of the Farmington Hills Police met with both sides at the start of the demonstration. He said both sides were cooperative.

"Every time we asked them to step from the curb or step away from the driveway, they complied," Bledsoe said.

Farmington Hills police had 12 officers on the scene with more in reserve if any trouble developed, Bledsoe said. "We didn't know what to expect."

Botsford Hospital's security force also was deployed. Gorchow said the hospital heard it was going to be the target of a picketing and planned accordingly.

Gorchow said she understood the demonstrators' constitutional right to make a statement but added, "... the business of the hospital is

not to be interrupted."

PEOPLE WHO live near the doctor's home on Terence Court felt their lives were intruded upon by the ensuing hour-long demonstration in their Bloomfield Township neighborhood.

Pro-life protesters pulled up at 1 p.m. on Woodview and began carrying placards, some depicting bloody and disfigured fetuses. Children who were playing football in a nearby yard came over to watch the proceedings.

One angry woman, who didn't want to give her name, confronted protesters and shouted at them, "You people don't belong in a private area here!"

"... Whether I stand with you or against you, you have no business doing this in my neighborhood. Get out of here!"

Arthur Apkarian and his family were preparing for a wedding when protesters arrived.

"I BELIEVE in what they're saying," Apkarian said. "That's my personal belief, but I don't believe in this."

"Five Easy Pieces" (USA — 1972), 8 p.m. Sept. 24. Jack Nicholson in perhaps his greatest role as a frustrated musician working on an oil rig who is forced to deal with a depressing family and a Tammy Wynette-obsessed girlfriend (Karen Black). Including the explosive "chicken sandwich" scene where Jack gets no satisfaction at a roadside diner. Directed by Bob Fosse. (\$4 admission)

"Jimi Hendrix on the Isle of Wight" (Britain — 1971), 7:30 and 9:30 p.m. Sept. 26 and 11:30 p.m. Sept. 27-28. Only recently released to the public, this concert film was recorded just 18 days before the legendary guitarist's death 20 years ago. (\$5 admission)

Emotion, irony blend in 'Europa, Europa'

"Europa, Europa" views the war through the eyes of a most unusual protagonist. In 1938, on the eve of his bar mitzvah, Solomon Perel flees his native Germany for Poland and later Russia.

Captured by German soldiers, the boy faces a choice — either admit his Jewish heritage and face certain death or lie through his teeth that he is a purebred German. He chooses the latter.

The events that follow in "Europa, Europa" are so unbelievable that they could only be true. The adaptation of Solomon Perel's autobiography, screening this weekend at the Detroit Film Theatre, plays as a consistently fascinating, if sometimes stiff, story of survival in the enemy camp.

Marco Hoffschneider is convincing as Solomon, or Solly. He's handsome, perhaps too handsome, since much of his frustration in the film involves keeping his circumcized homosexual soldiers and later seduced by a matronly Nazi and a pretty young fraulein.

AND HIS identity is discovered, first by a kindly soldier and later by a German widow, "good Germans" who don't turn him in. Director Agnieszka Holland ponders the irony along with her protagonist. How can the Germans, who treat Solly so kindly when they think he's Aryan, so offhandedly hate and exterminate the Jews?

tickets please
John Monaghan

When he arrives at the Hitler Youth camp in Berlin, Solly is already a war hero after a desertion attempt mistakenly leads to a Russian unit. The kids here spend most of their time learning how to identify Jewish vermin and jabbing bayonets into dummies emblazoned with the Star of David.

Solly, however, still wants to believe what a Nazi commander tells him early on, that the Jews will not be slaughtered but instead sent to Madagascar or Siberia.

A vivid picture is also painted early in the film of Stalinist indoctrination in the orphanage where Solly spends two years. During the regular session where children must renounce their religious beliefs, a group of Polish Catholics stand firmly in opposition.

"Pray to your God for candy from heaven," demands the attractive Bolshevik teacher. They do and nothing happens. When the other children ask Stalin for the same gifts, candy rains down from a hole in the ceiling. Ironically, the orphanage is bombed by German planes at that very moment.

ing happens. When the other children ask Stalin for the same gifts, candy rains down from a hole in the ceiling. Ironically, the orphanage is bombed by German planes at that very moment.

AGAIN THE irony hits you like a bomb drop, making you wonder how much of the story relies on fiction. In interviews, the director swears that most of it is true, "subject to the temporal necessities of dramaturgy."

"Europa, Europa" is not great filmmaking. The writing is unnecessarily heavy handed. Hitler and Stalin waltz in Solly's surreal dreams, an attempt to get you into the boy's head that falls pretty flat.

On a purely emotional level, however, as a story of someone forced to hide in plain sight, the film keeps you watching on the strength of its amazing premise.

LeAnne Rogers

'Alice': Allen's in 'Wonderland'

The title character in Woody Allen's most recent film, now on video, "Alice" is a wealthy Manhattan housewife who idles away most of her time shopping. This is a woman who seems to have it made — a successful well-to-do husband, a gorgeous home, two children and plenty of domestic help to look after both.

There's another thing Alice, played by Mia Farrow, has and it's a persistent backache. Her physical trainer and masseuse have been no help, nor has she found relief from doctors. Following several recommendations from different people in the same day, Alice heads off to see a Chinese doctor who specializes in herbal treatments and acupuncture.

The sage doctor, played by veteran actor Keye Luke, only has to take her pulse to conclude Alice's problem isn't in her back. And he's only heard about her rich, shallow, condescending spouse played by William Hurt.

Through a series of visits to the doctor and different prescribed herbs, Alice begins a journey that eventually leads her to take a hard unflinching look at the person she is, the choices she made for herself and what she wants to do about the future.

What happened to the devout Catholic girl who prayed with her arms outstretched to make it more difficult? How can a woman who says Mother Theresa is her hero spend all her time and resources acquiring material goods?

THAT MAY sound like heavy drama but there is a whimsical quality to the film. Alice has developed an infatuation for a man, Joe Mantegna, whose child attends school with her children.

After taking her herbs precisely as directed, the rather shy Alice makes the gentleman aware of her attraction in no uncertain terms. Farrow's reaction to this is great. You can see on her face the instant the herbs kick

in. Mantegna's reaction to her is wonderful.

"I thought someone else was talking . . . I was like someone possessed," Alice says later when telling a friend about the encounter.

Other potions from the good doctor render Alice invisible or allow a visit with dead loved ones. Alec Baldwin is very good, although only vaguely seen, as the man Alice loved but broke up with because she was frightened by his recklessness.

Gwen Verdon does a nice job in a couple scenes as Alice's mother, a former actress and alcoholic, uncritically romanticized by her daughter. Blythe Danner is very good as Alice's older sister, an attorney who is horrified by her sister's life of conspicuous consumption.

WITH HER color coordinated outfits and matching pillbox hats, Farrow is outfitted like Doris Day in her heyday. I don't recall Doris ever doing so much soul searching, however.

Clearly, there is an "Alice in Wonderland" parallel to the film as she gets bended and shaped by the herbal potions. Thankfully, Allen doesn't beat it to death, like for instance David Lynch's overkill in "The Wizard of Oz" references in "Wild at Heart."

The underlying theme, though, is that there aren't magic potions to solve what's wrong with your life. You have to recognize your weakness and take responsibility for actions before you can move out of an unsatisfying situation. That can be tremendously hard when there is an illusion of everything being as it should. In the end, that's the lesson Alice learns.

Allen's movies tend to fall into his "serious" works and very funny comedies. Alice rather falls in between. There is a lot of humor although not the rapid fire jokes some people might expect from Allen.

Finding way through uncharted waters

Travel agents can help navigate cruise world

By Iris Sanderson Jones, special writer

The great navigators were able to explore the uncharted seas of the world because they had a little help from a sextant, an instrument designed to navigate by the position of the stars.

If you are exploring the uncharted waters of the 20th century cruise world, you may need a star gazer of your own to help you pick the right cruise. You don't need a sextant, you need a good travel agent.

Cruises have changed dramatically since Cary Grant and Deborah Kerr floated across the deck of a luxury liner on the movie screen decades ago. Those luxury liners were going someplace, often across the Atlantic to England.

Today we take a cruise for its own sake, going in a circle around some part of the Caribbean, sailing down the west coast of Mexico or through the Panama Canal, hitting the highlights of the Mediterranean, the Baltic, the south seas or the Orient.

The 35 member lines of Cruise Lines International Association (CLIA) sail hundreds of ships on a variety of itineraries worldwide. Two dozen new ships and nearly 20,000 new cabins are being added to the market this year and next. Only a fraction of the American public has cruised, and the industry is betting big bucks that the rest of us will cruise soon.

How do you find your way through this crowded, confusing uncharted marketplace? Pick up cruise brochures. Browse libraries and book stores for cruise guide books. Read cruise magazines. Think about how much time and money you have and then go to a travel agent.

A good agent will ask you whether you've ever cruised before, what kind of vacations you like, what kind of budget you have and other relevant questions. Do you want to take a short three- or four-day cruise or the more popular seven-day cruise? Do you like beaches, shopping, sports, tours, island-hopping, lots of time at sea?

The agent will make a recommendation. Example: If a first-time cruiser wants to spend less than \$1,000 per person, double occupancy, for a seven-day cruise and the couple likes both beaches and shopping, the agent may suggest the smooth waters and the varying islands of the Eastern Caribbean.

Some first-time cruisers, and many old hands, choose short cruises out of either the Port of Miami or Port Canaveral, Fla. Most short cruises go to Nassau and back, sometimes with a stop at a private tropical island. The Premiere Majestic, once the Love Boat of television fame, goes to the Abacos.

Paula Sucaet of Only By Sea Inc. in Birmingham explains the three traditional seven-day Caribbean itin-

eraries. The Eastern Caribbean cruise usually includes San Juan, St. Thomas, St. Martin and sometimes Nassau.

The western Caribbean cruise goes to Jamaica, Grand Cayman and Cozumel, Mexico and the lower Caribbean includes the less frequented islands of Martinique, Barbados and Antigua.

For more information about cruising in general, send a self-addressed business-size envelope with 45 cents postage to Cruise Lines International Association, 500 Fifth Ave., Suite 1407, New York, N.Y., 10110 and ask for a brochure called "Cruising: Answers to your Questions."

Livonia pair nets cruise of Caribbean

By Mary Quinley, special writer

When Patricia Day of Livonia answered the telephone, she was skeptical of the caller who said, "Your husband Bob just won a trip to the Caribbean!"

Bob, a Warehouse Supervisor at Foodland Distributors, was one of several employees rewarded for his accident-free year. An all-expense-paid trip, including drinks, tips and tours was one of the incentives offered by his employer.

Pat and Bob spent seven nights cruising the eastern Caribbean on the MS Caribe, The Happy Ship. "I really enjoyed the cruise. The ship was beautiful," said Pat.

Caribbean island hopping gave the visitors a taste of native living. In Puerto Plata, the Days experienced mixed emotions. Young boys clung to the sides of the moving tour bus, trying to persuade potential customers to "hire me."

In contrast, the beauty of the soft, tranquil beaches beckoned tourists to "jump in."

Shopping for crystal, china, jewelry and liquor highlighted the tours of San Juan and St. Thomas. U.S. dollars and credit cards were accepted.

"When we got up in the mountains, we could look down and see our ship," said Bob. The down-sized Commodore Cruise Line ship, with her wood-paneled walls, was impressive.

"There were some places on the islands we had no interest in," said Bob. Bus tours were expensive and unnecessary agreed both travelers.

Cesare Ditel is captain of Princess Cruise Lines' new ship the Regal Princess. Former British Prime Minister Margaret Thatcher launched the ship in New York last month.

Seagoing vacationers catch some rays aboard the lido deck of Carnival Cruise Lines' new ship Ecstasy.

Setting sales on setting sail

They were all there at the Sheraton Oaks Hotel in Novi last week.

The travel agents that make up an association called Sale on Cruises were there. Sale on Cruises agencies include Premier Travel and Randolph Travel & Tours of Birmingham, Kaye Britton Travel of Farmington Hills, Suburban Travel of Rochester, Book Couzens Travel of Southfield, World Wide Travel Bureau of Troy and Venture Out Travel of Westland.

The cruise ship representatives were there, from Costa, Norwegian Cruise Line, Royal Caribbean, Holland American and Princess.

Most of all, the aspiring cruise travelers were there, filling the several hundred seats in the room, gathering brochures and winning door prizes. Travelers have overflowed the room during all of the four cruise seminars held by Sale on Cruises this fall.

Cruising is such big business that two dozen new ships and 20,000 new cabins are being added this year and next. Only a tiny fraction of the American population has sailed, and the industry hopes to attract many more of us. In the meantime, it's a buyer's market.

Any small travel agent will tell you that agencies are not created equal in the cruise market, however. The big agencies that specialize in cruises sell so many cabins that they can offer big discounts. That includes the Cruise Only! agencies owned by Carlton Travel Network and the big guys like Bee Kait Travel Service.

That's why 19 area travel agents combined forces in 1986 to form Sale on Cruises. Put the agencies together and they can offer discount cruises too.

As Harold Kait of Bee Kait Travel Service in Royal Oak points out "the big cruise agencies do it all under one roof, and a network of agencies is scattered around the city." The reply I got to that from Sales on Cruises is that their network allows you to go to an agency in your own area.

WHAT'S NEW IN CRUISING? Former British Prime Minister Margaret Thatcher launched Princess Cruise Lines' new ship, the Regal Princess, in New York last month. Michigan rep Kandace Levi says Princess sails to more destinations than any other line in the world.

Costa, the cruise line with the Italian accent, launches the Costa Classica Jan. 25, 1992. "It's the most expensive ship per passenger ever built," says District Sales Manager Mary Johnson. "There will be one crew member for every two passengers."

Patty Crichton of Holland America, voted the world's best cruise line last year by Conde Nast Magazine, is offering \$299 for the second passenger in a cabin on seven- and 10-day cruises. On Nov. 3 Helen Hayes will celebrate her 90th birthday on the Rotterdam, when it sails out of New York.

District Sales Manager Tim Birch of Norwegian Cruise Lines has two new ships coming in the fall of 1992. The Norway has had a \$50 million renovation. Honeymooners can get 50 percent off on three/four days cruises from Miami and all seven-day cruises.

Mary Bergsman of Royal Caribbean will see the new Monarch of the Seas, sister ship of the Sovereign of the Seas, launched in San Juan Nov. 17. Its twin, Majesty of the Seas, will be ready in April 1992.

The Senior Travel Group invites Farmington area Seniors to join them on their 1991 **FALL COLOR TOUR** to Pennsylvania's Northern Alleghenies **October 9-12, 1991 4 days-3 nites**

Engler offers solid education plan

QUESTION: Governor John Engler recently gave his "Michigan 2000" education message to the legislature. It covered everything from tenure, year-round school, parent choices in school selection to other issues. What is your opinion of his position on some of these issues?

ANSWER: Engler has at least taken a position on educational issues. We educational leaders supposedly have talked about for 50 years — issues past governors have avoided like tenure, issues that knowledgeable and committed educators know are essential — such as measurable outcomes. Let's look at some of his programs.

• **Engler's Michigan Education Warranty:** High schools will guarantee to employers that its graduates have competency in reading, writing and math and problem solving. If not, the graduate will return to school to be retrained at school expense.

• **Doyle's warranty plan:** Parents will guarantee that their child will be in attendance, show up to class on time, bring their books with them, do their homework. If not, we will return the child to you for responsibility training, manners improvement and for an introductory course on responsible behavior. In fairness, an educational warranty is a step in the right direction. Plymouth and other school districts have been doing this

for years.

• **Engler's school of choice No. 1:** Parents can select the school they wish for their child in their own school district.

• **Doyle's answer:** Plans are already in place called open enrollment in many districts such as West Bloomfield, Farmington and Troy. Parents select a school in their district that they prefer, providing they furnish the transportation.

I believe in open enrollment and promoted it for several reasons. Say parents can't stand their principal and his/her beliefs. The parents have a choice to go to another building. The only drawback is if athletes are recruited into one school in the district — that is bad news!

• **Engler's schools of choice No. 2:** Constitutional authority exists to permit a new public school to be organized and operated by any group of employees from public entities such as a community college, university, city or township.

• **Doyle's answer:** If the city or township is going to run the school, then we educators want to run the city so our garbage gets picked up and our streets are cleaned in a timely fashion. Maybe we can talk the medical profession into letting educators run the hospitals so we can inform the cardiac surgeon when a patient is ready for an "open-heart."

• **Engler's core curriculum:** He

Doc Doyle

will require specific measurable outcomes (not "three years of math"). Graduation requirements are not enough.

• **Doyle's answer:** I agree. Too many kids go through school by a path of least resistance. They seek and find sympathetic teachers who literally carry them on their backs to get them through a course.

Grades often don't tell the story. Some teachers are very generous in grading, some extremely tough. Some teachers are generous because they don't want to see the "kid" again next year.

Some teachers pass certain "kids" to alleviate being called into the principal's office because they flunked too many students. There are many reasons — most all wrong.

Measurable learning outcomes make sense providing they are developed by teachers and building principals, and providing teachers are supported if a student, for whatever reason, doesn't commit himself to the task at hand. The re-

Engler has taken a strong position on educational issues, most with which I agree.

responsibility for mastering measurable outcomes (i.e., can multiply three digit numbers) has to become, in a major part, the responsibility of the student and parent.

• **Engler's tenure program:** Our Teacher Tenure Act is broken and needs fixing. More years of observation or probationary time is needed.

• **Doyle's answer:** Teacher organizations have done a masterful job in this area. Before tenure, a teacher could be "canned" for any issue even a minor personality conflict with a principal, board member or "important citizen" in town. However, more probationary time (four or five years) makes sense. Yes, we should put more teeth into the tenure act and select or keep only the finest; that is, the finest teachers and administrators.

Engler has taken a strong position on educational issues, most with which I agree. Some issues, however, will need considerable time to implement. Change doesn't occur because of a "Special Message on Education to the People."

Let's put high tech on hold and repair the telephone lines

EVER SINCE the telephone companies were deregulated, we've been inundated with advertising that tells us that our careers are going to come to a grinding halt if we don't have the right phone equipment.

If we don't get that call on our car phone, we may just as well head to the Grand Canyon and drive into it. And if you don't have the right long distance service, you're going to end up talking to that whiny little guy in the phone booth at that unpronounceable South Seas island.

I have to keep telling myself: "It's just a telephone. It's no different than the one you used in 1968."

But it isn't just the same. And we learned that in speed dialing time last week when phone workers plugged New York's system into the wrong power source. The result was chaos. Nobody could catch a plane and nobody could buy or sell stocks.

SOME CALLED it a disaster, but I secretly wonder how much money people may have saved because of it.

But that's not the point here. What intrigued me was a quote in an account about the great phone unplugging. It came from a telephone analyst. What ever that is. Anyway, here's what she said: "It may say that simply the technology is running ahead of the actual operational expertise and experience levels of the people that they have to run it."

In other words: The phone company has designed a system so complicated that nobody knows how to use it.

I don't know why it took a telephone analyst to come up with that. Most of us already know that. We've been conned into buying phone systems that have functions that we don't use.

We have speed dial, but using it only saves about two seconds. What are we suppose to do with that time? We can make conference calls with six people on the line, but most of us don't know more than two or three people who

even want to talk to each other.

Jeff Counts

WE'VE BEEN oversold by the phone companies. And there's a reason for it. Ma Bell and others in her family have put a big emphasis on high tech stuff because it's easy to sell to greedy, insecure yuppies who are trying to make that one more sale.

But while the phone folks have sold us voice mail, they haven't invested in better equipment or lines to handle all the fancy phones.

Let's face it, we've got 21st century phones plugged into 1950s wires. The telephone people have hired a bunch of slick, suit wearing and brief case toting salespeople to sell the high tech stuff. But at the same time there's nobody to service the stuff.

But they're no different that other utilities like Detroit Edison or Consumers Power who dumped millions of dollars in nuclear plants that never got on line, but nothing in maintenance.

That lack of line work was driven home this summer in Wayne County when a July 7 storm came charging through, leaving thousands without power.

And what did Edison have to say about it? Here's what one of their spokesmen said: "We learned from the storm among other things that tree trimming is necessary to improve reliability."

Give me a break. We've had power lines for more than 90 years and it's finally dawning on these geniuses that falling trees knock down wires.

Utilities with their unabashed greed have pushed us into a high tech world that doesn't work, and along the way they've forgotten to keep us plugged in.

God save us from the yuppies and their gadgets.

Jeff Counts is the editor of the Plymouth and Canton Observer Newspapers.

Children need more advocates

To the editor:

I would like to take this opportunity to respond to the editorial published Sept. 5, "Child abuse cases require training, funds." Your comments regarding training for judges, and I might also add school and medical personnel, are ones that the council also feels strongly about.

In a recent survey of school districts in the western Wayne county area, an alarming number of districts have protocols for reporting child abuse cases that are not in compliance with the child protection law. The council is available to consult with school boards and superintendents on protocol development and well as a resource for training staff.

We couldn't agree more with your statement that efforts to prevent child abuse are often short changed.

The Out Wayne County Council on Child Abuse and Neglect has as its primary mission the prevention of child abuse. We do that through education and training and public awareness activities. Our efforts are directed at supporting parents with any age child and educating professionals who work with families.

In addition, the council serves as the designated Council for the Michigan Children's Trust Fund that provides funding for child abuse prevention programs throughout the state.

We promote the income tax check-off with tax preparers and the public at large.

I want to thank you for your attention to the issue of child abuse; training and prevention. The council and our communities always need volunteers and/or businesses who will advocate for children and their families.

Sandra L. Murphy,
executive director

Bill of Rights is topic for senior essay contest

The Michigan Commission on the Bicentennial of the Constitution and the Michigan Trial Lawyers Association are sponsoring a Bill of Rights Bicentennial essay competition for high school seniors.

A \$1,000 scholarship will be awarded to the student writing the best essay and three runners-up will each receive \$500 scholarships.

The essay should answer the questions, "Why the Bill of Rights is Important Today." Deadline for entry is Nov. 10. Judging will be completed by Dec. 1. Michigan Supreme Court Justice Conrad Mallett Jr., Michigan Trial Lawyers Association members and representatives of the Michigan Commission on the Bicentennial of the Constitution and other Bill of Rights scholars will serve as judges.

Contest materials have been sent to all high schools in the state. Complete rules and an entry form are also available by contacting the Michigan Trial Lawyers Association at (517) 482-7740.

"In celebrating our Bill of Rights, we must ask what it is that we are celebrating and who's responsible for providing us with such great personal freedoms and protections," said Thomas Hay, president of the Michigan Trial Lawyers Association.

"Citizenship is an important responsibility that includes continuing education and community participation. The essay contest is a way for young people to begin participating in the future of their communities," Mallett said.

Stately pintail is 'favorite' duck

My son often asks me, what is your favorite bird? I tell him I don't have a favorite bird, but I do have a favorite duck — the pintail.

It is a long, lean, slender looking species of duck. In addition to the long tail, which makes up about one quarter of its total length, the male has a long neck, reminiscent of a goose. This slender appearance is not just a result of its long neck and tall, physically this species of duck is about one-fifth the weight of the familiar mallard.

Though coloration is not as spectacular as a wood duck, or green-winged teal, it has a stately, elegant pattern of colors. Underparts of a male pintail are white. The back is a fine striped gray and white. Coloration of the head of a male pintail is a chocolate brown over the cheeks, throat, forehead and down the top of the neck. But separating the top of the neck from the throat is a pinstripe of white.

Female coloration is entirely different. They appear brownish-gray and mottled to blend in with short grass, fallow fields where females often build their nest. Females have a pointed tail, too, but it is not as long as that of the male.

Even male pintails migrating through the southeastern part of

nature

Timothy Nowicki

Michigan in late August and early September may have partial female coloration. Some males do not complete their eclipse molt before they start their migration. By the later part of October and early November, all males will look like a typical male pintail.

Those pintail migrating through our area come from nesting areas in the Hudson Bay area. A few years ago I was able to see breeding birds and find pintail nests in the Fort Severn area of Ontario. Most pintails in North America winter along the west coast, but those I saw at Fort Severn are those that will come through the Great Lakes area.

A trip to Harsen's Island or the Shlawassee National Wildlife Refuge near Saginaw would provide a place to watch for these stately ducks. They like to be in flooded fields where they will feed on various plant seeds and grains. About half their diet is plant material,

while the other half is small animals.

Once you have seen a male pintail in full adult plumage, I'm sure you will look forward to their ar-

rival in spring and fall, too.

THE ROLE OF ASPIRIN TODAY
With so much innovation in medicine, you would think it would result in improved arthritis therapy. Almost every month, another new arthritis drug comes up for praise and attention. However by year's end, the new drug has failed to equal its promise, leaving knowledgeable doctors to continue to prescribe aspirin. Why aspirin? No other drug has proved better against inflammation. Aspirin, particularly the coated type, is safe. In addition the medication is inexpensive compared to alternative arthritis drugs. Furthermore, aspirin rarely interferes with drugs you may be taking now or in the future.

If you are allergic to the aspirin molecule itself, there are substitutes which are nearly as good as aspirin, and not as toxic.

Aspirin levels are easily monitored; for \$7.50 any laboratory can run the assay. You don't even need a test to determine if you have too much aspirin your system. The evidence is deafness, ringing in the ears, or a feeling of lightheadness, changes you or your family can pick up readily. Because dosage is flexible, you may then lower the amount to fit your capacity and need.

For all these reasons aspirin remains the premier drug for arthritis.

OSTEOPATHIC PHYSICIANS. BRINGING SOMETHING EXTRA TO MEDICINE.

The Facts About Osteopathic Physicians and M.D.s.

Today, there are 3,000 osteopathic physicians (D.O.s) in Michigan, and there are about 12,500 M.D.s.

Is there any difference between these two kinds of doctors?

No. And yes.

The fact is, D.O.s and M.D.s are alike in more ways than you might imagine?

But it's the ways they're different that can bring an extra dimension to your family's health care.

Six ways D.O.'s and M.D.'s are alike.

- 1 Both D.O.s and M.D.s must have the same years of basic medical education.
- 2 Both D.O.s and M.D.s must pass comparable state licensing exams.
- 3 Both D.O.s and M.D.s utilize the same state-of-the-art medical technology.
- 4 Both D.O.s and M.D.s refer patients to qualified D.O. and M.D. specialists whenever specialized care or treatment is needed.
- 5 Both D.O.s and M.D.s place a high degree of emphasis on the good health benefits of preventive medicine and regular office visits.
- 6 Both D.O.s and M.D.s practice out of fully accredited and licensed hospitals and medical centers.

Two ways D.O.'s bring you something extra.

- 1 D.O.s practice a "whole person" approach to medicine. That means, instead of just treating specific symptoms or illnesses, osteopathic physicians and hospitals concentrate on treating the patient's entire body. Simply put, to a D.O. you're not just a sore throat. You're a "whole" person with unique attitudes, habits and experiences that combine to affect your overall health. That's why D.O.s make a special effort to understand their patients on a more personal level. And it's also why a higher percentage of D.O.s enter family practice. In fact, when you get right down to it, osteopathic medicine is really a more personal approach to modern medicine.
- 2 D.O.s also receive an extra degree of specialized training in the neuromusculoskeletal system — the body's interconnected system of nerves, muscles and bones. This provides osteopathic physicians with a better understanding of the ways that an injury or illness in one part of the body can adversely affect another. And it gives them therapeutic and diagnostic advantages over those who do not receive this specialized training.

Yesterday,
you could demand more of a job.

Today, jobs demand more of you.

The number of displaced workers in need of retraining is growing each year.

Demand for unskilled labor is at an all time low. More than 179,000 workers in Metro Detroit are technically unemployable because they lack the skills and training required in the new high-tech workplace.

Now more than ever, the United Way needs your donation to help fund organizations in our community that are working to equip the unemployed

with the job skills they need today. All told, your contributions assist more than 150 local agencies that, among other things, are teaching the illiterate to read, feeding the hungry and counseling troubled youths.

So when you give, give generously to the United Way Torch Drive. It's an important way to put your money to work close to home.

Blue chippers CC's stock rises in win over King

By Steve Kowalski
staff writer

Redford Catholic Central followed its motto and almost reached its goal Friday afternoon at Detroit Martin Luther King.

The Shamrocks, who had the word "shutout" written as one of their goals on the chalkboard at school, overwhelmed King, 24-6, in a rematch of last year's Class AA state championship won by CC.

"Our goal was to get a shutout," said senior Brett Walter, a standout in the CC secondary. "We felt pretty confident coming in. Our motto was 'TCB: Takin' care of business.' King had some big guys but we were a lot quicker. Everyone is always picking us as underdogs (against King), but we'll play anyone in the state and beat them. Now we should get the respect we deserve."

Several "so-called" experts picked King to beat CC and avenge last year's 21-0 loss in the state final, but this meeting was just as one-sided as the last. CC outgained King, 268-107 in total yardage and ran 60 offensive plays compared to only 33 by the Crusaders.

CC, FINDING holes behind its offensive line led by Dan Cretu, Brian Brewer and Dave Bruhowzki, scored on four of its seven possessions and one of the Shamrocks' scoring drives took more than eight minutes off the clock. CC scored on a 23-yard field goal by senior Kerry Zavagnin and touchdown runs by Jason Krueger, Dan Gusoff and Jeff Tibaldi.

The win improved CC to 3-0 over-

all and leaves the Shamrocks as one of the favorites, along with Traverse City, to win Class AA. King, which brought a higher ranking into the game, fell to 2-1 overall.

"We never had the ball," King coach James Reynolds said. "The key was we've got so many inexperienced people at key spots and you never know what's going to happen. One thing you don't teach is experience and we're getting on-the-job training. The kids played valiantly, but CC was better today. They do what they do well. Nothing surprised us."

And on Friday, CC also did what it normally doesn't do — pass the ball — well. Junior quarterback Chris Barbara, who completed only two passes in the first two games, completed seven-of-nine against King for 98 yards and no interceptions.

SENIOR WIDE receiver Frank Yoakam caught four passes for 79 yards, including a 34-yarder on third down and 12 that set up Zavagnin's 23-yard field goal for a 3-0 lead with 7:42 left in the first quarter.

"We wanted to come out and prove something because against Temperance-Bedford (a 24-6 season-opening win) people said special teams saved us and last week we didn't complete a pass (in a 23-0 win over Mumford)," said Barbara, who also rushed three times for 25 yards. "In big games, you always hope someone is going to step up and be a leader."

CC drove to the King 12 on its next drive in the second quarter, only to

be stopped on a fourth-and-three play. After the CC defense forced King into three plays and a punt, the Shamrocks offense closed out the half with a seven-play, 48-yard scoring drive to lead 10-0 at halftime. Krueger's 2-yard run with five seconds left on the clock capped the drive.

The key play was a third down pass to Yoakam, this one for 23 yards, that brought the ball down to the King 9-yard line and kept the drive alive.

"Frank is probably our fastest player on our team, for sure, and maybe on the field today," CC coach Tom Mach said. "The key today was Chris had time he needed to put the ball where it had to be put."

CC STARTED THE third quarter with a 15-play, 59-yard drive that took 7:50 off the clock and was capped by Gusoff's 3-yard run. Zavagnin's PAT made the score 17-0.

Tibaldi, CC's starting tailback who gained 76 yards on 26 carries, ended the scoring for the Shamrocks with a 4-yard run with 8:45 left in the game.

The Crusaders gained 69 of their 107 total yards on their only scoring drive, capped by a three-yard run with 1:43 remaining. The Crusaders' two quarterbacks, Clarence Thompson and Chris Johnson, completed only three of 10 passes for 17 yards and were hurried all afternoon by CC's down linemen Dan Kelly, Gusoff and Dan Suhajda.

"We constricted the holes real well so the linebackers could come up and make the plays," Kelly said.

Brett Walter, Redford Catholic Central's two-way standout, catches one of his two passes Friday in the Shamrocks' stunning, 24-6, win over host Detroit Martin Luther King.

Leimbach stars for Warriors

Jason Leimbach did everything to drive the Lutheran Westland bus on Friday night from Tekonsha, out-state school near Coldwater. Leimbach, who led Lutheran Westland in rushing and was one of the leading tacklers on defense, led on a 12-yard run as well as a yard fumble return. He also intercepted a pass as the Warriors beat Tekonsha, 32-20, to improve their record to 3-0 overall.

Tekonsha fell to 0-4. Leimbach gained 59 yards on 18 carries and the 5-foot-10, 163-pound senior also recorded 12 tackles. The Warriors were outgained, 304-197, in total yardage, but capitalized on six Tekonsha turnovers to build a commanding, 32-6 lead after three quarters.

The Warriors opened the scoring in the first half on a 4-yard run by Paul Seltz and Jason Zielinski's two-point conversion. Matt Grams gave Lutheran Westland a 14-6 lead after one quarter on an 80-yard kickoff return.

Seltz's 19-yard run and Leimbach's 12-yard dash in the second quarter gave the Warriors a 26-6 halftime lead. Seltz finished with 54 yards on seven carries and Grams added 47 yards on seven attempts.

Leimbach pushed the lead to 32-6 in the third quarter, picking up a Tekonsha fumble and rumbling 12 yards for the score.

Tekonsha's Greg Feltner led all rushers with 130 yards on 26 carries. Matt Bowling caught 10 passes for 103 yards and quarterback Ken Milliman completed 13-of-23 passes for 140 yards.

John Glenn pounds Stevenson, 35-13

By Brad Emons
staff writer

Livonia Stevenson's football field resembled a bump shop Friday.

In a game that had its share of violent collisions and injuries, Westland John Glenn dinged out a 35-13 win over the host Spartans.

It was no accident that the 3-0 Rockets emerged victorious. They piled up 393 yards total offense, including 357 on the ground.

"This is the first time we've played a really good team," said Glenn coach Chuck Gordon, whose team had romped to wins over Highland Park and Livonia Churchill. "We knew we'd get tested by Stevenson. We knew they were down 14-0 to RU (Redford Union in the opener), came back and won big (39-14). We knew they wouldn't quit."

The Spartans, who entered the Lakes Divi-

sion opener at 2-0, had high hopes, wanting to avenge year's 41-0 drubbing, courtesy of the Rockets.

"I thought the kids were so mentally ready and I think they're really disappointed the way they played," Stevenson coach Jack Reardon said. "The kids were talking about it all week and I think they're deflated a little bit."

STEVENSON CAME out of the fray with injuries to leading ground gainer Chris Lehti (shoulder) and fullback Chad Myers. Punter/running back Micah Lietzau, meanwhile, never suited up because of the flu.

Glenn also had its share of bruises, including what appeared to be a serious injury to tackle Billy Glass, who was held on the field for 20 minutes before an ambulance arrived because of a back injury.

football

"I don't know the reason why there were so many injuries," Gordon said. "A lot of people got nicked up."

Glenn, despite being stopped on fourth-and-3 at the Stevenson 33 on its first possession, dominated the line of scrimmage in the first half, roaring to a 21-0 lead. The Rockets had 235 total yards to Stevenson's 45 by intermission.

And it was a game of big plays. Running a fullback trap, Glenn's Ed Jeanin found daylight for an 83-yard TD run with 4:11 left in the first quarter. Chris Bar-

dy kicked the first of his five straight extra points to make it 7-0.

Jeanin had only five carries on the night, but led all rushers with 120 yards.

Tad Quattlander (79 yards on 14 carries) added a 4-yard TD run in the second period, followed by John Ward's 8-yard touchdown jaunt with 2:48 left in the period.

"I THOUGHT our backs ran hard," Gordon said. "It was a case where their defense was crowding right up on the line, and if you hit a crease, you've got a chance to get it going."

Providing the wedges up front were 6-foot-3, 236-pound right-side offensive tackle Jason Hagelthorne, and 5-9, 201-pound guard Matt Dimitrievski.

"Number 75 (Hagelthorne) is the guy they go to," Reardon said. "He's their blocker.

They just keep running belly plays at you."

The Rockets made it 28-0 with 8:23 left in the third quarter when quarterback Terry Hower, scrambling out of trouble, showed some speed and dashed 36 yards down the sideline for a TD.

The Spartans finally got on the board with 4:01 left in the third, marching 72 yards in nine plays, capped by Ryan Furkas' 27-yard TD pass to Jason Dreger.

Glenn, capitalizing on a Spartan turnover, scored again with 18 seconds left in the quarter, this time on a Ward 3-yard run.

"It seemed we made a lot of little dumb mistakes," Reardon said.

In the final quarter, Tate Dobbs' 50-yard burst set up Ben Boedigheimer's 17-yard TD run.

"We're banged up a bit, but I know these kids will come back," Reardon said.

Patriots slip by stingy Churchill

By Brad Emons
staff writer

Livonia Franklin was counting its lucky stars Saturday following a tougher-than-expected 16-14 football victory over city rival Churchill.

The host Patriots needed a fourth-quarter field goal, a 22-yarder by quarterback David Little, to beat the victory-starved Chargers, 16-14.

"Give the Churchill kids credit," Franklin coach Armand Vigna said. "They stuffed us a number of times. They just kept on fighting and they did a good job of keeping us out of the end zone."

The Chargers, now winless in 12 straight dating back to the 1990 opener, stayed in the ballgame despite gaining only 49 yards in total offense.

Franklin, however, tried to make it a rout early, scoring a pair of touchdowns during first eight minutes of play.

Little connected with tight end Jason Facone on a 36-yard touchdown pass just three minutes into the game, and it was 7-0 after Little's extra point.

"The first touchdown we gave up was simply a blown assignment by our man in the middle," Churchill coach Herb Osterland said. "Those things happen when you have a young kid in there, but you can't single one guy out. Other than that I thought our defense played well."

The Patriots added to their lead with 4:06 left in the period when Aaron Sharkarian scored on a 1-yard run, capping a six-play, 43-yard

drive (helped by a Churchill pass interference call).

BUT FRANKLIN could not convert the extra point because of a bad snap, and the score remained 13-0.

That was a sign of bad things to come for the Patriots, who could not get off two successive punts in the second quarter (because of low snaps).

Churchill took advantage of one of the miscues when Ryan Kukla scored on a 3-yard run with 2:06 left until the intermission. Paul Martus added the extra point, slicing the Franklin lead to 13-7.

In the third quarter, the Patriots had the ball for 19 plays to Churchill's five, but found themselves down when Kukla scooped up a Franklin fumble near midfield and raced 41 yards for the score. Martus added the extra point to make it a 14-13 in favor of the Chargers.

Franklin, meanwhile, could not capitalize on prime field position after scoring the two early TDs. The Patriots were inside the Charger 20 twice, but came away empty.

"Our original plan was to run wide and throw the ball, but we couldn't move the sticks," said Vigna, whose team rushed for a net of only 76 yards. "Sometimes we were looking at an eight or nine-man front. They got our quarterback out of his rhythm."

CONFRONTED WITH a fourth-and-eight situation at the Churchill 31 early in the fourth quarter, the Patriots kept their hopes alive when

Eric Holmes (left) of Franklin, who rushed for 55 yards in 11 carries, tries to break the grasp of Churchill tackler Paul Martus.

Little passed 11 yards to Facone for a crucial first down.

But Churchill's defense, led by Kukla and linebacker Clint Shepley, held tough again, forcing Franklin to bring on the field goal unit with 7:40 to play.

The Franklin QB, however, more than made up for his 5-for-14 passing day (87 yards) and 30-yard first-half field goal miss, coming through in the clutch, as he split the uprights for a two-point Franklin lead.

Franklin's defense then completed the job, intercepting Churchill quarterback Jason Renkiewicz twice in the final six minutes — one by Rich-

ard Ingold, his second on the day, and the other by James Sewruk (with a minute left).

"In our own end they (Franklin) were not threatened," Osterland said. "They pressured us somewhat. Sometimes we didn't catch the ball, and you have to do that if you're trying to get out of your own end."

Franklin, now 2-1 on the year, must cut down on mistakes before Friday's game at Northville.

"We'll get killed the rest of the year if we turn the ball over like we did today," Vigna said. "Our defense gave us opportunity after opportunity. But it's a win and we'll take it."

Wayne Memorial trapped by Bears

By Ray Setlock
staff writer

One by one, the Wayne Memorial football players tossed their dirty uniforms on the floor of coach Chuck Howton's office Friday. The veteran coach sat at his desk and watched, saying few words.

Moments earlier, Howton watched his team lose a 21-7 heartbreaker to Wolverine A Conference rival Wyandotte Roosevelt.

The winner of this game would take over sole possession of first place. Howton said he thought his team was capable of beating Wyandotte.

"Our kids played their hearts out tonight," Howton said. "But Wyandotte was the better football team."

The visiting Bears used a potent air attack to ground Wayne, as junior quarterback Scott Nagy completed 8-of-12 passes for 100 yards. He threw for 89 of those yards in the second quarter.

"We're lucky to have a quarterback that can throw the football," Wyandotte coach Bart Estola said. "He complimented our running game well."

THE BEAR running attack was also effective, thanks to hefty fullback Keith Lukasik, who gained 74 yards on 19 carries.

"I was happy with the way I played," Lukasik said. "But I was especially happy that we beat these guys. I haven't done that since I've been here."

Howton said he knew from scouting Lukasik that he would run the ball quite a bit.

"He's a durable kid," Howton said. "We knew he'd get the ball 20 or 25 times tonight."

Wyandotte (3-0, 2-0) opened the scoring on its first drive, going 55 yards in 10 plays. Senior tailback Jeff Bowman capped the drive by darting the final yard into the end zone. Nathan DeLong kicked the extra point, giving the Bears a 7-0 advantage.

WITH 11 seconds remaining in the second quarter, Nagy connected with wide receiver Scott Brewer for a 7-yard touchdown pass, giving Wyandotte a 14-0 lead after two quarters.

The two teams exchanged touchdowns in the fourth quarter. Bowman plunged a yard on Wyandotte's opening drive, giving the Bears a 21-0 advantage.

Wayne (2-1, 1-1) narrowed the margin to 21-7 with 5:40 left in the game when senior quarterback Jason Wetmore hit tight end Eric Bates with a 7-yard touchdown pass. But the Zebras could get no closer.

Turnovers — two fumbles and a pair of interceptions — didn't help Wayne, causing their defense to be on the field for extended periods of time.

"When you turn over the ball like that, you're not going to win a football game," Howton said. "They, they kicked our butt here tonight."

Rocket sets standard; Spartan girls triumph

Jeff Tapper broke the Westland John Glenn course record at Central City Park on Thursday as the host Rockets fell to Plymouth Salem, 23-35, in a boys cross country meet.

Tapper's time was 17:03. He edged out Salem's Derek Cudini with a lean at the finish line (17:04).

Other Glenn finishers in the top 10 included: Scott Szukaitis, fifth, 18:08; Bob Lulek, seventh, 18:18; and Mark Coleman, ninth, 18:34. (Jason Yanity added a 13th in 19:24 for the Rockets.)

The Glenn boys are now 2-1 overall and 0-1 in the Lakes Division of the Western Lakes Activities Association.

Salem also won the girls meet, 15-49, as Emily Farrell placed first in 21:04.

Glenn's top finisher was Tina Moore, who took sixth in 22:33.

LIVONIA STEVENSON, led by A.J. Korfinik's first place on Thursday, defeated host Farmington in a girls cross country meet at Oakland Community College, 22-35.

It was the Lakes Division opener for both teams in the WLAA. Stevenson is 2-0 in duals.

Korfinik's first place time was 20:10. Farmington's Allison Davis took second in 21:16.

Other Stevenson girls finishing in the top 10: Bridget MacKinnon, third, 21:30; Gail Grewe, fifth, 21:47; Stacy Prats, sixth, 22:14; Heather Gores, seventh, 22:16; and Amy Klassa, 10th, 22:42.

cross country

Farmington won the boys meet, 22-38, behind Dave Clinard's first place time of 17:08.

Stevenson's Matt Rowe took second in 17:32, followed by teammates Scott Crehan, fourth (18:15), and Scott Petree, ninth (18:53).

LIVONIA FRANKLIN, despite a first place finish by Joe Jarvis (18:30) on Thursday, lost to WLAA Western Division boys for Northville in a meet at Cass Benton, 27-33.

Lee Devers added a second place for the Patriots in 18:39, followed by Erik Huysken in sixth (19:17); Craig Dolecki in 11th (19:45) and Matt Fournier in 12th (20:27).

The Patriots are 0-3 overall.

LIVONIA LADYWOOD finished second Thursday in a triangular meet at Ypsilanti.

The host Braves had 29 points, edging Ladywood (31) and Pinckney (56).

Ladywood's Mallia Dixon set a record for the fastest time this season on the Ypsi course (20:10).

Other Ladywood finishers included Tracy Essen, fifth, 23:04; Karyn Nagy, sixth, 23:20; Mary Helmlinger, ninth, 24:23; Jackie Tuggle, 10th, 24:29; and Nicole Dugas, 11th, 24:32.

Clarenceville rallies by Taylor Park

A strong fourth quarter showing propelled Livonia Clarenceville to a 37-34 girls basketball win Thursday over host Taylor Baptist Park.

The Trojans (2-3 overall) outscored the Wildcats 14-6 in the decisive period.

Junior forward Stacy Charboneau and junior guard Angle Wakefield tallied 13 and 11 points, respectively, for the winners.

Libi Cook tallied a game-high 21 for Taylor Baptist. She had only five in the final quarter — all on free throws — as Clarenceville coach Bob Wolf employed a stingy box-and-one defense.

The Trojans took advantage of a bench technical on the Taylor Baptist coach in the final quarter, converting four of five free throws coupled with a basket to gain the lead for good.

LADYWOOD 74, BELLEVILLE 25: On Thursday, Livonia Ladywood (5-1) cruised to the non-league victory over the host Tigers (0-4).

The Blazers outscored Belleville in every quarter, including a 27-8 surge in the opening period.

Junior guard Mary Jo Kelly paced the assault, scoring a game-high 21 points. Others in double figures included Janet Davis (13), Tracey Frybyski (10) and Allison Brezny (10).

STEVENSON 58, HARRISON 35: Sophomore guard Mo Drabicki cut loose for 17 points, 10

girls basketball

assists and eight rebounds Thursday, leading host Livonia Stevenson (4-1) to the Western Lakes Activities Association win over Farmington Harrison (3-3).

Stevenson led 10-7 after one quarter before putting the game away at halftime with a 23-8 scoring spurt thanks to a second-quarter press.

Junior forward Karen Groulx added 12 points, while Teresa Sarno contributed nine. Gina Renko and Kim Olszewski, a pair of juniors, came off the bench to combine for 15 rebounds.

Junior center Heather Hopkins paced Harrison with a game-high 19 points.

N. FARMINGTON 43, CHURCHILL 38: Freshman guard Alisha Gordon scored 18 points Thursday, lifting host North Farmington (2-4) to the WLAA victory over Livonia Churchill (0-7).

Senior guard Carey Perkins contributed 10 points for the Raiders, who won despite being outscored 22-17 in the second half.

Junior guard Chrissy Daly scored 14 in a losing cause, while senior center Julie Campau added 10.

CANTON 55, JOHN GLENN 28: Plymouth

Canton (4-2), fresh from their upset Tuesday of Class B power Flint Powers, got rolling in the second half Thursday to trim Westland John Glenn (3-3) in a WLAA opener.

Canton led by only three at intermission, 20-17. The Chiefs extended their lead to 10 after three quarters, 33-23, before putting on a 22-5 surge in the final period.

Junior center Stephanie Gray led Canton and all scorers with 18, while teammate Julie Nicastri chipped in with 10.

Glenn, which connected on only six of 17 free throws and made 21 turnovers, got seven points from senior center Cathy Mruk.

"They (Canton) stepped up their defense (in the second half), swarmed our ball-handler and double-teamed our post players," said Glenn coach Pat Bennett, who was back on the bench after serving a one-game suspension. "Canton's a good team and they did the right things in the second half."

LUTH. WESTLAND 57, S'FIELD CHRISTIAN 29: A strong first quarter got Lutheran Westland headed in the right direction in its Michigan Independent Athletic Conference opener and the Warriors never let up Friday at Southfield Christian.

Kristen Sirang led Westland with 12 points. Mindy Hardy, Lori Gentz and Jenny Billand each added eight. Melynie Cote had 19 for Southfield Christian.

The Warriors (5-2 overall) led 17-8 after the first period and 26-10 at the half. Entering the final quarter, the gap had widened to 42-14.

Shamrock golfers win

Jason Meese's medalist-winning 39 led a strong team showing by Redford Catholic Central as the Shamrocks beat Warren DeLaCalle 164-171 in a boys golf meet Thursday at Brae Burn Golf Course.

Meese's 39 was the best of four CC scores in a four-stroke span. Pat Casey shot 40, Dave Hermann had a 42 and Chris Ferry carded a 43.

CC is 4-2 overall and 3-1 in the Catholic League, in second place behind Birmingham Brother Rice.

LIVONIA FRANKLIN recorded its best score in four years in defeating Walled Lake Western 210-224 Friday at Idyl Wyld.

Jason Lamar and Joe Huber shared low-stroke honors for the Patriots at 38. Mike Mackiewicz finished with a 44, and Mike Modreski and John Hoobler each

posted 45s.

On Wednesday, Franklin didn't fare so well. The Patriots were topped by Plymouth Canton 205-226 at Idyl Wyld. Still, Lamar earned medalist honors with a 35. Jon Paupore was best for Canton with a 38.

On Friday, Canton narrowly edged Livonia Churchill 219-222 at Hilltop. Paupore again paced the Calets, this time with a 37. Matt McPherson had a 43 for Churchill.

LIVONIA STEVENSON battled Plymouth Salem down to the sixth man Friday, but lost the tiebreaker to the Rocks at Whispering Willows.

Salem had two players with 46s: Joe Gumbis and Ray Alvarado. Stevenson's sixth man, Doug Gulau, shot 49.

The two teams were tied at 213 through five golfers, forcing the tiebreaker.

The loss everted Stevenson's record at 5-5 overall, 1-1 in the Western Lakes.

Franklin dashed against Salem Rocks, 53-45

By Dan O'Meara staff writer

Livonia Franklin had the best player, but Plymouth Salem had the best team Thursday night.

Despite 34 points by Franklin all-starter Dawn Warner, the host Rocks won the rematch between finalists for the Western Lakes Activities Association girls basketball title last year, 53-45.

Salem took a deceiving 1-4 record into game, having lost four non-league games to state-ranked parochial schools. The Rocks faced another rated opponent in No. 9 Franklin, which suffered its first loss after five straight wins.

"We are a good basketball team," Salem coach Fred Thomann said. "Our record isn't the greatest, but being able to play against good teams has stood us well and will help us as we go through the season."

"We needed to be successful against a good basketball team. We've played well against a lot of good teams and not been successful. Being successful was important for this team, so they believe they are a good team."

SALEM, THE defending WLAA champ, used its superior height to dominate the boards and win the game.

The Rocks trailed 11-10 after one quarter, and Thomann used the time between periods to exhort his players to push the ball inside and exploit their advantage.

"It was just a reminder," Thomann said. "That's one of the things we'd like to have happen all the time, because Darlie Miller is an awful good scorer inside."

The 6-foot-1 center responded with 10 of her team-high 19 points off feeds to the post in the second quarter, and Salem was in control after taking a 28-24 halftime lead.

Salem post players Emily Giuliani and Cyndi Platter also were instrumental in giving the Rocks a re-

bounding edge and scoring with 11 and 10 points, respectively.

"We thought it would be our inside game against their perimeter game," Thomann said. "I was real pleased we got our inside game going and, as best we could, dealt with their perimeter game."

Franklin's tallest player was 5-10 Karen Potempa, the only one who could match up with the Rocks, who had two and sometimes three players that size or taller on the floor.

"(THOMANN) WAS substituting and the deeper he goes the more height he has," Franklin coach Dan Freeman said. "I knew toward the end of the game unless we could build some kind of lead we would be in trouble."

Warner, who was 8-of-27 from the floor and 14-of-14 at the free throw

line, was able to keep the Patriots in the game but didn't get enough help from her teammates.

Patty Shea, who averages 10 points, went scoreless and nobody else had more than five. Warner, who made four triples, had all but one of Franklin's 21 points in the second half.

"One player is never going to beat Salem, but we're not a one-player team," Freeman said. "Dawn scored her average (28½) but the rest didn't hit."

"You never accept the fact someone is going to score, but I thought we did a good job of making (Warner) earn her scores," Thomann said.

The Rocks were 20-of-57 from the field for 35 percent, Franklin 12-of-61 for 20 percent.

Crusaders win NAIA match in 4

A strong hitting performance, led by Elena Oparka, enabled Madonna University to overwhelm Hillsdale College Thursday 15-8, 15-10, 6-15, 15-10 in Hillsdale.

Oparka, a junior outside hitter who transferred to Madonna after completing her eligibility at Schoolcraft College, pummeled the Chargers with 18 kills as the Lady Crusaders improved to 10-7.

But Oparka got lots of help. Sophomore middle-blocker Dana Hicks-Finley, named the NAIA District 23 player of the week for the Sept. 9-15 span, had 16 kills; junior Tonia Smith contributed 15; and freshman Julie Adams had 12.

Senior Jenny Sladewski paced the Madonna defense with 14 digs. Freshman Maureen Paulin had 12 and Smith got 11. Senior Penny Baker's setting, according to coach Jerry Abraham, was also instrumental in the victory.

But Oparka was superb, said Abraham. "She was on fire. It was a very explosive night for us. We just really hit the ball well."

Madonna opens district play at Siena Heights Tuesday and at home against Spring Arbor at 7 p.m.

CRUSADER NOTES: Hicks-Finley earned district player of the week honors while leading Madonna to a 5-1 record in that time. She recorded 84 kills in 16 games (4.0 a game) with a .316 kill average, and also had 21 solo blocks, 47 block assists and 51 service aces

Soccer foes meet tonight in Livonia

A number of things are at stake tonight when Livonia soccer powers Churchill (7-1) and Stevenson (7-0) collide.

Temporary city bragging rights, Western Lakes Activities Association supremacy and perhaps the state's top ranking in Class A are all on the line. (Game time is 7 at Stevenson).

Churchill, last year's state runner-up to Warren DeLaSalle, warmed up for the battle with an 8-0 victory Wednesday over visiting Walled Lake Western.

The Chargers' Vince Trolani and Mike Gentile each scored twice for the winners, now 3-0 in the WLAA's Western Division.

Pete Owens, Jeremy Banks, Brian Peters and Chris Galea also tallied goals for Churchill, which recorded 24 shots.

Dominic Vella and Banks each contributed two assists, while Kurt Besecker, Galea and Gentile collected one each.

Goalies Kai Kaliszewski and Jeff Cassar (three saves) combined on the shutout.

Meanwhile, Stevenson tuned up

for the clash with a 6-0 Lakes Division triumph Wednesday at Farmington behind one goal and three assists from Todd Krzysnik.

Tim McCarley, Craig VanRaem-dowck, Travis Roy, Matt Jacobs and Nick Spano also scored for the Spartans.

FRANKLIN 6, N. FARMINGTON 1: Victor Rodopoulos wrecked North Farmington single-handed, scoring three goals in the first half to allow Livonia Franklin to even its record at 4-4 Friday at Franklin.

Bill Binkiewicz also scored for the Patriots in the first half; they led 4-0 at halftime. Mark Harper and Russ Keberly collected goals in the second half. Rick Burnette and Jason Buelow had two assists each, and Keberly had one.

Bill Farger got the only Raider goal.

On Wednesday, Franklin got a goal from Guillermo Cazares after a restart by Rodopoulos 19 minutes into the opening half, and the Patriots made it stand up in a 1-0 victory at Walled Lake Central.

Keeper Brian Spiller got the shutout, playing what coach Franz Lamarre called "his best game of the year in goal." Midfielder Todd Freeman also performed ably.

● CROLL WINS 200TH

Livonia Stevenson tennis coach George Croll recorded his 200th career victory Wednesday as his Spartan girls trimmed city rival Churchill, 8-0, in a dual match.

Croll is also the boys coach at Stevenson.

● AGE-GROUP SOCCER

● The '78 Northville Sting, a first-division Little Caesars Premier League boys soccer team featuring area players, recently captured championship titles at the Maumee, Ohio International and Bay Village, Ohio Challenge Cup.

Playing 11 games in the two tournaments against teams from Michigan, Ohio, Pennsylvania and Canada, the '78 Sting players went unbeaten, outscoring their opponents, 35-2.

Members of the '78 Sting, coached by David Mashni, include Brian Baczynski, Lance Bethell, Danny Christenson, Jim Grewe, Chris Kennedy, Greg Kilby, Keith Knofel, John Larson, Ronny Masbni, Nathan McKenzie, Mike Monson, David Venning, Ryan Winn, Jeff Workman and Brian Zawistak.

Assistant coaches include Wayne Workman, Greg Kilby and Brad Storck.

● The under-11 Michigan Wolves won the Bay Village, Ohio Challenge

sports roundup

Cup over Labor Day weekend with a 4-1 win over COSA of Ohio. The Wolves, coached by Rocco Mitkov, also defeated WAUSA of Ohio in the semifinals, 2-1, after posting shutout victories of 4-0, 3-0 and 1-0 in pool play.

Members of the Wolves include: Ian Adams, Christopher Cadwell, Adam Coulter, George Kithas, Steve Kleczynski, Kenny Kozlow, Joshua Larson, Alan Lyskawa, Sean Murtagh, Jason Riley, Sevan Sahner, Mike Slack, Joey Suchara and Danny West.

● The Plymouth Kicks '78, an under-14 boys soccer team, recently finished second to the Caboto Magic of Windsor, Ontario, in the Cherryland Invitational in Traverse City. The Kicks did not allow a goal in regulation play, losing the final in a shoot-out after a double overtime.

Members of the Kicks, coached by Armando Santos, include Joe Hunter, Sam McGrath, Dan Kleczynski, Donnie Zaksek, Steve Sockolosky, Jason O'Beirne, Jeff Kozlow, Louie

Gavrillovski, Jason Wozniak, Scott Epley, Evan Crockett, Mike Martin, Jordan Santos, John McShane, Tom Mesner and Brian Pollock. Assistant coaches are Mike McGrath and Don Gemmill. The manager is Sam Epley.

● PLANTE COACHES

U.S. Olympic Festival gold and silver medalist Robert Plante of Westland coached the U.S. Shooting Team's 1991 Masters Pistol Camp Sept. 15-21 at the U.S. Olympic Training Center in Colorado Springs, Colo.

● LIVONIA YMCA HOOPS

The Livonia YMCA is seeking teams to play from 7 to 10 p.m. Thursdays at Ladywood High School on a first-come, first-served basis.

The entry fee is \$315 per team. Team members do not have to be long to the Livonia Y.

For more information, call Aaron Reeves at 261-2161.

● CARDS AN ACE

Gary Beer of Westland scored a hole-in-one Aug. 17 at Concord Hills Golf Club on the 155-yard No. 15 hole to enter the 31st annual Drambuie Rusty Nail Sweepstakes.

SC blasts Concordia

It was just what was needed, according to Van Dimitriou.

The Schoolcraft College men's soccer coach got what he wanted out of Thursday's match at Concordia College. Sure, the final score was a one-sided 7-0, favoring SC. But at this point in time, the Ocelots didn't need to be tested.

"It was a good workout," said Dimitriou, whose team is now 3-1-1 overall. "A lot of guys who have been working hard at practice got a chance to start."

That they did. Dimitriou started seven freshmen, and SC still led 4-0 at the half. And not only did everyone get a chance to play, the seven Ocelot goals were scored by different players.

The most artistic would be the

first, netted by Jim Meldrum. Meldrum took a corner kick and bent it directly into the goal.

The other SC scores came from Brian Hauman, Chris Crawford, Jeff VanDemergel, Dave Hebestreit, Bob Hayes and Rick Menary.

Although the match provided little challenge, Dimitriou said he's been impressed with Shane Millner's development at stopper. "He's getting comfortable," the SC coach said. "I'm starting to feel confident in our middle defense with him in there."

It wasn't all good news, however. Freshman defender Jack Abate hasn't yet recovered from a knee injury suffered against Cuyahoga Metro CC. His status for this weekend's showdown with NJCAA Region 12 rival Macomb CC is uncertain.

More Detroit suburban shoppers

The SPRING Newspapers

circulation more than doubles the daily suburban circulation of either The Detroit News or Free Press.

In fact, SPRING's suburban circulation is greater than the two metro dailies' combined.

And that's not all.

According to the 1991 Belden study, SPRING reaches more of the affluent suburban shoppers who have more—and spend more.

► 152,700 more suburban buyers of women's fashions than the daily News (78,600 more than the Free Press).

► 145,700 more suburban buyers of men's fashions than The News (64,500 more than the Free Press).

► 115,900 (and 63,600) more suburban buyers of children's clothing.

► 177,100 (and 80,000) more suburban shoppers at malls.

Simply put, one order in SPRING delivers more. Shouldn't you be advertising in SPRING more?

Rediscover lost art of drying fruit, herbs

I can remember a neighbor on Sycamore Street in Wyandotte whom everyone thought was a little "eccentric."

I came to know "Mrs. Carrie" one day when I noticed her, with hammer in hand, building something in her southern-sun-exposed side yard. The kids on the block thought it was an ominous box probably used to store the bones of curiosity-filled kids who ventured unknowingly into her yard.

I liked Mrs. Carrie, and I wasn't about to fall for that crazy casket story. One day (and if memory serves me correctly, this would have been around 1959 or the early '60s) I asked her what the strange black box was.

"It's a solar dehydrator," she said. "I need an inexpensive method to dry my summer fruits, vegetables and herbs from my bountiful garden."

HAVING NO idea what a solar dehydrator did or was, I pretended to act cool, and rode off into the sunset reaffirming her eccentricities.

The art of food drying dates back to Cro-Magnon times when hunters probably discarded a chunk of meat next to the fire, only to return months later and find the black and dry meat proved tasty. It was a great way to save food for leaner times.

The art of drying food is a natural alternative to canning and freezing. It benefits the family on a tight budget, as well as the camper, hiker, skier or fisherman looking for a compact food supply.

With the advent of canning and freezing, drying foods has almost become a lost means of food preservation. Drying however, is a natural method of preserving whereupon only the water in the food is removed. The drying process removes 80-90 percent of the moisture content so that spoilage bacteria can't develop during storage.

Dried food also conserves storage space with a five pound assortment of fresh fruit yielding approximately one pound dried. With the exception of some minimal loss of vitamin A and C, dried fruits and vegetables contain the same amount of vitamins and minerals as fresh produce. Dried fruit is sweeter than fresh, due to the high concentration of fruit sugars.

Unlike canning, drying has no "set" rules. Food can be dried in a number of ways with the important thing being removal of 80-90 percent of the water and then storing in tightly closed containers that continue to keep moisture out.

THE EASIEST process involves the purchase of food dehydrators, available at most gourmet shops and natural food stores. Electrical dehydrators start at about \$40 and progress in price and capabilities up to about \$125.

While researching this story, however, a visit to the library located an ample amount of do-it-yourself drying techniques utilizing everything from a tin-foiled box and light bulb up to an electric range. Even Mrs. Carrie's solar dehydrator was expounded upon.

Would I go out and buy a dehydrator tomorrow? Probably not, although the section on drying in your oven using wire mesh proved interesting, especially the way the Janes Gang loves dried-fruit-endowed granola. What I will try, however, is the drying of this year's herbs for winter use.

Momma recalls that Mrs. Carrie passed on about 15 years ago or so. Funny how you preserve memories. I only wish I'd have talked to Mrs. Carrie a little more, a little longer, and with a little more respect. Something tells me she's smiling now, knowing she kindled a spark of interest in food in a nosy 9-year-old on a big black Huffy bike.

Local mills shine in cider survey

By Keely Wygonik
staff writer

FRANKLIN, Plymouth Orchards and Yates were the pick of the crop of Taste readers responding to our In-Cider survey.

"I like the doughnuts and there's a good selection of apples at the Franklin Cider Mill," said Mary Spada of Birmingham.

"I went there as a kid. It's kind of historic thing, a tradition," said Spada, who is passing the tradition on to her children.

A certified national historic site, Franklin Cider Mill at 7450 Franklin Road, Franklin, (626-2968), was founded in 1832 on the Franklin River in Oakland County. The mill is open seven days a week, 9 a.m. to 6 p.m. until Dec. 1.

THEY BUY apples to make cider from farms in the Grand Rapids and Romeo area.

"We use a blend of apples to make cider," said Susan Tondreau, manager. "Every day it's different. The cider gets sweeter later into the season because we use sweeter apples, it also keeps longer."

Tondreau said the cider is now being made with McIntosh and Paula Red apples; later they'll add some delicious. The apples are about three weeks ahead of season. Franklin Cider Mill has been owned by Jack Palmer for about 30 years.

When the Donohue family goes to the cider mill, they head for Yates.

"Everybody is friendly, and it's a nice atmosphere, no matter how busy it is, everybody maintains a smile," said Bob Donohue of Commerce Township.

Going to the cider mill is an all-day event. Bob, his wife, Debbie, and their three children always package it with a trip to downtown Rochester where they have lunch.

FOUNDED IN 1894, Yates Cider Mill, 1990 E. Avon Road in Rochester Hills, (651-8300) is on the Clinton River.

Owned by the Posey family, Yates is open 9 a.m. to 7 p.m. seven days a week until the end of October. In November, the hours are shorter, 9 a.m. to 5 p.m.

"On weekends, we have apples in 20 bushel crates, and people can bag their own. Since we don't have orchards, it's the next best thing," said Linda Paisley, assistant manager.

Milling around

A special essay sent in by Bob DeMayer of Livonia

Fall is the perfect time for a trip to the cider mill. My favorite one is the historic Franklin cider mill. While driving through the peaceful little town, I can smell the aroma of just-baked doughnuts and fresh cider floating through the crisp autumn air.

I quickly drive into the crowded parking lot and stand in the long, winding line. I decide to buy a dozen warm plain brown doughnuts and a half gallon of spicy cold cider.

While enjoying my treat, I walk along the mill's picturesque surroundings. There is a giant old steel water wheel on the premises which is nestled under beautiful towering trees.

The leaves are now changing from an ivy green to shiny gold and copper. Before heading home, I stroll along the quaint town's streets which are dotted with many diverse shops selling everything from antiques to Christmas ornaments.

The temperature is just right for a nice leisurely walk. As the sun starts to set a little earlier these days, I decide it's time for my journey back home - already looking forward to a memorable return engagement.

He has spent hours with his sons fishing, just as his parents did with him. With three generations of Winemans in Charlevoix, it is no wonder that it is a very special place, near and dear to his heart.

Recipes

GRILLED OR STEAMED SALMON WITH WINEMAN'S SAUCE

Quick, delicious and easy to make, this tasty sauce enhances the flavor of the salmon, or any other type of fish you choose to prepare.

WINEMAN'S SECRET SAUCE

Combine the following ingredients together and mix well. For a shortcut version, mix Salt-Free Mrs. Dash Table Blend of Fine Ground Herbs and Spices with the Lite Wishbone Russian salad dressing and the last three ingredients.

1 bottle Wishbone Lite Russian salad dressing, 8 fluid ounce size
1 good handful fresh parsley, chopped finely
1 bay leaf
1 tablespoon onions, minced
dash of pepper
dash of celery seed
dash of rosemary
1-2 cloves of fresh garlic, chopped finely
dash of lemon pepper
dash of Accent

1 tablespoon olive oil
3 tablespoons slightly sweetened coarse mustard
1/2 stick butter or margarine

GRILLED OR STEAMED SALMON

This recipe works for either salmon steaks or salmon filets.

Brush some of the sauce on a piece of foil. If using a salmon filet, place it so that the skin side is on top of the foil. Brush with more of the sauce and squeeze half of a lemon over the fish. Throw the lemon half or wedges on top of the salmon and then pinch the two sides of the foil together. Baste with the sauce every 5-8 minutes and cook the salmon for about 20 minutes with the grill cover down, noting that the time can vary depending on the

grill and the thickness of the fish.

POTATO "IT"

When family friend and neighbor, Debby Sloan, first tasted this interesting concoction, she asked the obvious question, "What is it?" Somehow the name "It" stuck and a new dish was born.

1 pound tiny red skin potatoes, the smaller the better
1/2 stick butter or margarine
1 medium size box of mushrooms, washed and quartered

1 can hearts of palm, 15 ounce size, drained and cut into bite-sized pieces

1 can artichoke hearts, 15 ounce size, drained and cut up

1/2 onion, preferable Vidalia, if available, chopped coarsely
dash of garlic powder
salt and pepper to taste

Melt the butter in a large frying pan. Combine the whole potatoes (if you are unable to find small ones, halve or quarter the ones you can find), the cut-up hearts of palm and the artichokes. Cook over a medium-low heat for about 20 minutes or until the potatoes soften.

In another pan, saute the cut-up mushrooms in a little butter or margarine and a dash of garlic powder for about 15 minutes.

Add the mushrooms to the potato mixture and cook for an additional 10 minutes.

Hot tip Chili champ starts with a tasty stock

By Keely Wygonik

On his third try, Paul Huyck of Farmington Hills, won the Michigan Chili Crown at the 13th annual cook-off Sept. 15 at the Lark Restaurant in West Bloomfield.

"I went to my first cook-off in 1985, and after three years as a spectator, I thought, wouldn't it be fun to cook," said Huyck, who has competed in 12 cook-offs. "You have a good time, and they reward charities."

In 1989 he entered a cook-off at the Livonia Spree which benefits abused children. He won second place at a cook-off in Sumpter Township and has competed in New York.

At the Michigan State Fair in 1989, he won the "Belly Burner Championship" for the best hot chili. "That chili was much hotter than I would enter in normal competition," he said.

According to rules of the International Chili Society, the major characteristics to consider when judging chili are the flavoring and chili pepper taste (not too hot or mild), the texture of the meat (not too tough or mushy), the consistency (not too thick or thin), the blend of spices, and how well they have permeated the meat, the aroma and color.

"One major tip is it's extremely important to develop a tasty stock. I use condensed beef broth. After

the first hour of cooking, my chili doesn't taste like chili, but then you convert it by adding spices. You've got to know when to stop adding seasonings, when enough is enough."

Huyck will represent Michigan at the World Cook-off to be held Oct. 20 at the abandoned Tropic gold mine in California's Mojave Desert.

"I already got plane tickets for my team, we're ready to go. We're going to give it our best shot."

Huyck is a CPA and part owner of Carter Technology Inc. in Farmington Hills. He said his wife, Lynne, helps him cook.

Second place was awarded to Joe Swiderski of Wyandotte and third to Ken Horn of Plymouth.

The 40 chili cooking teams who competed for the 1991 chili title included — Jim Adamski, Redford; Shawn Booth, Garden City; Kathleen Cummins, Birmingham; Gary Hamilton, West Bloomfield; Austin A. Howard, Birmingham; Larry Jayko, West Bloomfield; Robert T. Jones, Westland; Mike Maiman, Birmingham; Gary Ray, Livonia;

Charles F. Robertson, Birmingham, and Jim Weller, Troy. A sell-out crowd paid \$30 per person attend the cook-off. Event proceeds are used to award \$1,000 scholarships to 10 culinary arts students.

This year's winners included Ed Curtindal II, Farmington Hills; Adam Tsakos, Redford; and Lawrence Weaver Jr. Rochester. Here's the winning recipe.

MICHIGAN HEAT

- 2 lbs. ground chuck
- 2 lbs. lean chuck steak bits
- 1 lb. chorizo
- 42 oz. beef bouillon (condensed)
- 18 oz. tomato paste
- 8 oz. red cooking wine
- 8 garlic sections
- 2 large white onions
- 2 large Hungarian peppers
- 2 large jalapeno peppers
- 2 cayenne peppers

SEASONING

- 6 tablespoons chili pepper
- 4 tablespoons cumin
- 2 teaspoons Hungarian paprika
- 2 teaspoons celery salt
- 2 teaspoons Mediterranean oregano
- 1 tablespoon salt
- 1 tablespoon white pepper

Salt and pepper the meat, and brown it in about 2 1/2 ounces of suet. Remove suet, but reserve drippings.

Put meat and drippings in a big pot and add the bouillon, tomato paste and wine. Finely chop garlic, onions and peppers, and add to the mixture. Let it cook for one hour. Then add seasonings and cook for two hours over medium heat. Yield — one gallon

Sweet memories draw readers to apple cider mills

Continued from Page 3

U-sort apples cost less than sorted apples, which are also available. On some weekends, certain varieties of u-sort apples are sold at half price.

Yates buys apples to make cider from orchards in the Romeo area. They have a small orchard about a half-mile from the mill where they grow apples that are sold for eating. The orchard is not open to the public. "If it's a warm day, try the apple cider slush. We've been making it for about four or five years. It tastes good on hot days," said Paisley.

THE FIRST Michigan Colonial Fire and Drum Corps will perform at Yates at 1:30 and 3:30 p.m. on Saturday, Oct. 12, and Sunday, Nov. 3. There are hiking trails in the Rochester-Utica Recreation area across the street. Group tours of the cider mill are available.

Martina Golaszewski of Livonia, likes Plymouth Orchards & Cider Mill because of the "wonderful cider, good doughnuts, animal petting farm and wagon rides."

It's also a good time to get pumpkins. Golaszewski puts them on her porch for decoration before Halloween.

Plymouth Orchards and Cider Mill, at 10685 Warren, west of Plymouth Road between Joy and Warren, (455-2290) has been owned by the Emmett family for the last 13 years. They have 100 acres, 55 acres are planted with apple trees.

A hail storm in May damaged the apple trees so this year there will be no u-pick apples.

"There are a lot of nice ones, but I just did not feel like I could offer the u-pick this year," said Mary Emmett. "The quality is just not there. It's good, clear fruit, but some of the apples have dents and dings. It's just on the surface, and doesn't hurt the apples, but they don't look so pretty."

AS AN alternative, Plymouth Orchards is offering u-sort. Visitors can pick a bushel of apples from bulk boxes. U-sort apples cost less than sorted, graded apples which are also available.

Pumpkins will be available the weekend of Oct. 12. Hours are 9 a.m. to 8 p.m. in September and October, 10 a.m. to 6 p.m. in November.

Michigan has produced more than 750 million pounds of apples every year for the past five years, according to the Michigan Department of Agriculture.

At Michigan cider mills this fall, visitors will pay an average \$2.92 for a gallon of cider, 16 cents more than 1990. Prices range from \$2 to \$4.25. Doughnuts average \$2.80 a dozen, with prices varying from \$1 to \$4.

Most ciders contain no preservatives. They must be refrigerated, and if not consumed in a few days, ciders will develop a bitter taste and eventually ferment into vinegar or alcohol.

"Treat like milk," said Les Posey, owner of Yates Cider Mill. "It spoils quickly if left out." To make it last longer, Posey recommends bringing a cooler to keep the cider cold on the trip home.

Beans, tomatoes beef up chili

AP - Extra beans and tomatoes can turn meaty chili into a pot richer in flavor, vitamins, minerals and water-soluble fiber, while cutting the percentage of fat at the same time.

BOWL-OF-RED CHILI

- 1 pound lean ground beef
- 2 large onions, chopped
- Two 15 1/2-ounce cans red kidney beans
- Two 15 1/2-ounce cans dark red kidney beans

- One 28-ounce can peeled Italian-style tomatoes, cut up
- One 14 1/2-ounce can stewed tomatoes

- Two 4-ounce cans diced green chili peppers
- 1/4 cup chili powder
- 1 teaspoon garlic powder
- 1 teaspoon dried oregano, crushed
- 1/4 teaspoon ground red pepper (optional)
- 1/8 teaspoon black pepper

In a large Dutch oven cook ground beef and chopped onion until meat is brown and onion is tender. Drain off fat.

Stir in undrained beans, tomatoes and green chili peppers. Add the chili powder, garlic powder, oregano, ground red pepper and black pepper. Bring to boiling; reduce heat. Simmer, uncovered, about 1 1/4 hours or until of desired consistency, stirring occasionally. Makes twelve 1-cup servings.

Stop avoiding German wines

Germany, the northern-most European wine growing region, makes lovely, drinkable, white wines that are perfect for modern, light cuisine. If you have not sampled German wines lately, now is the time.

Warm harvests in 1988, 1989 and 1990 yielded grapes ripened to perfection. The wines show expressive fruit aromas and refreshing flavors with the added attraction of lower (7.5-10 percent) alcohol.

You may have avoided German wines because the labels are difficult to read. One of 11 German growing regions appears on each label as well as a village name, a vineyard name, the grape name and the producer.

You can simplify label reading by focusing on the grape and the producer. Look for the wine estates named in this column and riesling, the finest wine-grape varietal grown in Germany.

YOU MAY have heard that all riesling is sweet. It is true that Germany is very cool and therefore it is difficult to ripen grapes. Adding sugar balances the acidity of under-ripe grapes, but not all German wines are sweet.

In years where mature grapes are harvested, German wine producers make wonderfully dry, fruity white wines that have balanced fruit and acid. That means they taste refreshing, not too sweet and not too tart.

The driest German wines are labeled trocken (dry), half-trocken (half-dry) or Kabinett. Spatlese is a label term that means late harvest, and the wines usually have noticeable sweetness. The spatlese recommended below are extremely well balanced.

We recently tasted 23 wines from seven estates in seven different

focus on wine
Eleanor and Ray Heald

winegrowing regions. The best examples are recommended below. Unless otherwise noted, these wines are all riesling.

THE WINE estate of Dr. Fischer is in the picturesque village of Ocken in the Saar region. Here, the slate soils rise steeply behind the village. Vines were actively cultivated in Ocken as early as 1958. The vineyards have perfect southern exposure and are planted almost exclusively to riesling.

Dr. Fischer's 1989 Ockfener Bockstein Kabinett (\$13) exhibits fresh apple and apple blossom aromas and flavors. The Spatlese (\$17) boasts riper fruit and mineral accents in a style that emphasizes balance.

The 1989 Wawerner Herrenberger Spatlese (\$17) is a delicious wine also made from riesling, but grown on different soils.

The wines of Dr. Heidemanns-Bergweiler are grown in the villages of Bernkasteler, Wehlen and Graach, along the Mosel River on sunny, south-facing, slate-covered slopes. Dr. Heidemann's 1989 Bernkasteler Lay Kabinett (\$15) showcases fresh, crisp apple characters that are a great accompaniment for fresh white fish.

The 1989 Barnkasteler Badstube Spatlese (\$19) has supple textures with nuances of peaches and pears. The 1989 Bernkasteler Alte Badstube am Doctorberg Spatlese (\$25)

has aromas of orange peel and a supple mouthfeel.

CLEAN RIESLINGS, rich in extract, is the goal of the famous Rheingau estate Schloss Schonborn. Most of the 148 acres of gently sloping estate vineyards, scattered over 13 communities, are planted to riesling. Soil qualities of the various sites differ widely, and the wines have a broad range of taste characters.

The richest rieslings we tasted were the highly recommended wines of Schloss Schonborn, they include the 1989 Johannsberger Klaus Kabinett (\$13.50) and the 1989 Spatlese (\$20).

The Balbach family has engaged in winegrowing in the Rheinhessen since 1654. Today, the 45-acre estate vineyards are planted with riesling vines on the famous red slate that

Wine Selection of the Week

1989 Schloss Schonborn Winkeler Hasensprung Riesling QbA (\$12). If the German wine name seems confusing, read the column for an explanation. This German riesling boasts ripe apple and pear aromas with a touch of vanilla. Full creamy textures highlight the flavors and it finishes with refreshing zip. Try it with fresh grilled fish.

characterizes their unique style — balanced, elegance, with a forward, vigorous ripeness that is unmistakable.

We enjoyed the crisp fruit of the Balbach 1990, Niersteiner Klostergarten Kabinett (\$15) and the steely flintiness of the 1988 Niersteiner Olberg Spatlese (\$17).

The wines of Dr. Bassermann-Jordan, grown in Germany's Rheingau, show supple, mouthfilling freshness. Appley fruit aromas introduce full taste textures with refreshing aftertaste. We recommend the 1989 Deidesheimer Herrgottsacker Kabinett (\$16) and the Deidesheimer Langenmorgen Spatlese (\$20).

HOME DRIED ONIONS

You can dry onions easily and efficiently by slicing them thin, or chopping as desired, and spreading them out on flat cookie or baking sheets.

Place in a 130-150 degree oven for 4-5 hours, watching carefully during the last hour of drying to prevent burning.

Store in airtight containers and use as desired in soups, stews, salad dressings, dips, etc.

Sports is fashionable this fall. Watches with rotating footballs and basketballs are hip at \$19.95 each.

Rah, rah, ras . . . Clothes with class

By Charlene Mitchell
special writer

SEASONS CHANGE AND SO DO trends. As summer fades and the colorful mixture of autumn leaves start to appear, Michiganders seem to get a sudden itch to change their looks.

It's called "staying current," which is very different from the '80s version of being hip. Current can be conservative or slightly avant-garde. For sure, current is what's in now.

High school and college students are the biggest trendsetters for the current look. From varsity style leather jackets and four-by-four vehicles to the current look in haircuts and footwear, to be out of style is definitely not the way to impress the opposite sex.

Being current among teens and young adults is even trickling down to the younger kids who also feel that last spring's wardrobe is totally unacceptable for this fall.

Ridiculous? Probably so, but current is the password to get people to accept you . . . not so much for who you are, but whether you're wearing the correct labels.

"It's really phenomenal," said the owner of Such A Deal outlets, a discount designer clothing chain with several stores in the metropolitan area. "All the teenagers are coming in for Cavarachi jeans in every color. We sell them for 50 percent off (the regular price is \$80) and we can't keep enough of them in stock."

AT TRENDS, a men's and boys' clothing shop in West Bloomfield, the

current look is "Skids" pants (also worn by girls). The trousers come in a variety of plaid patterns and are made of a puckered cotton fabric.

The colors are simple — black and white combinations with warm burgundy and sea green. The prices might be a little steep, but when trying to stay current, price isn't the deciding factor.

A very "current" item this fall is the leather jacket with sports appliques. The popular football style shows a playing field on the back, complete with yard lines depicted with a suede-like fabric. A life-sized football in pigskin adorns the center of the field, with a smaller football on the sleeve.

Ethnic pride is also finding its way into fashion. Many African-Americans consider the current look to be a similar varsity-style jacket done in black leather with a green and black outline of the African continent on the back.

"A jacket like this might have been considered threatening a few years ago," said one University of Michigan student. "I like it because it's practical style-wise and it says who I am."

OTHER JACKETS in the line include basketball, bowling and traffic sign themes.

Haircuts certainly make a statement. According to Southfield stylist Hoffett of Asyas Salon, the "very" current look for guys is a pixie cut. It may sound a bit prissy, but it actually is an updated version of the bowl cut with wispy bangs.

The style is very popular among a number of Hollywood stars and guys in the music industry.

Another trend for hair, according to Hoffett, is coloring with cellophane. "My clients are all into products that are safe for the ozone," he said.

Once you have the right jeans, jacket and haircut, you'll need the right kind of transportation. If you listen to the people who run the Suburban Mobility Authority for Regional Transportation, riding the bus is very current, even if you own a car.

In fact, Moore & Associates, a marketing group, is distributing printed invitations and free tickets for bus rides to and from key shopping malls in Oakland County.

From Northland to Summit Place to Oakland Community College, the bus rides promise to be prompt, convenient and fun. What a hoot for suburban kids who had a new car for their 16th birthday.

IF YOU enjoy yourself, there's a posted card you can send to Moore & Associates for additional free tickets. (Wonder if the regular bus riders receive any of this free stuff?)

If the SMART bus loses its appeal (and it certainly will within a few weeks), the best way to stay current, according to auto dealers, is with a four-by-four. The Ford Explorer, Jeep Cherokee and Geo Tracker are all hot . . . excuse me, current. Next in line are convertibles. Definitely on the outs are family cars with four doors.

The best thing about being current is the raves you'll get from others in the know. The sad thing is it will cost you a bundle and by the time you get it all together, the styles are ready to change again.

North Farmington running back Jonathon Rogers (above) and cheerleader Julie Hahn modeling matching sport jackets (\$129 each) in red and black. A 1992 Ford Explorer from Mel Farr Ford provides the backdrop for cheerleader Courtney Klinger wearing a 2-piece denim outfit by "Splash" available in four neon colors.

The prop is a Toyota four-wheeler from Mel Farr Toyota for football players Eric Porter (left) and Jason Horwitz. Eric models a patchwork denim jacket while Jason has on patchwork corduroy jacket and pants in shades of blue and red, all by Zip Code.

A 1991 Geo Tracker from Jack Cauley Chevrolet suits North Farmington football coach Jim O'Leary and player Mike Hamill just right for a game of catch while modeling football jackets available in black and white or blue with gold leather in the bomber style or stadium length.

Rhino revives best of 'Shindig!'

By Larry O'Connor

"Shindig!" only had a prime time run of two years on ABC-TV in the mid-60s. The show's impact, though, cannot be measured in length but by the names who appeared on the program.

Rhino Home Video has just released three videos in what will be a 12-volume set of clips culled from the original kinescopes of "Shindig!" — "Frat Party," "Motor City Magic" and "Jackie Wilson." "The Righteous Brothers" — "Unchained Melody," the first video of the series, was released in March.

Jimmy O'Neill may be a disc jockey on KRLA in Los Angeles today, but he became a household name when he was host of "Shindig!," the 1960s' version of MTV.

'The artists wanted to be on "Shindig!" It was a big production. They knew they were going to look good and they knew they were going to be in good company. And they were being exposed to audiences across the country.'

— Jimmy O'Neill

"Frat Party" features the likes of the Kingsmen doing "Louie Louie" and The McCoy's performing "Hang On Sloopy." "Motor City Magic" rekindles memories of Motown with The Supremes and Diana Ross' rendition of "Stop! In the Name of Love" and Smokey Robinson and the Miracles' "You've Really Got a Hold on Me."

But one stands out in the mind of Jimmy O'Neill, who hosted the show that was something of a precursor to MTV. "Jackie Wilson" offers a glimpse of the man they called "Mr. Dynamite."

"Of the four tapes out right now, it's my favorite tape," said O'Neill, who is a disc jockey on KRLA in Los Angeles. "It's a goose bump video. This guy was so dynamic visually."

THE TAPES are believed to be the only ones of Wilson performing live. The soul singer died in 1984. He suffered a heart attack while on stage in 1975 and spent the following 8½ years in a coma.

Wilson is buried at Westlawn Cemetery in Westland. Fans and friends of the great performer best known for hits such as "Lonely Teardrop" and "Your Love Keeps Lifting Me" Higher and Higher" banded together to raise \$18,000 three years ago for a mausoleum. Until then, Wilson's grave had been left unmarked.

"Jackie Wilson" features 13 performances during the course of the two-year run of "Shindig!" Included in the compilation is Wilson singing "That's Why (I Love You So)," "No Pity (In the Naked City)," "Baby Work Out" along with duets with Shirley Ellis and Jerry Lee Lewis.

Although the clips are in black and white with monophonic sound, the video certainly conveys the energy and

genius of an artist who certainly left a legion of fans behind.

O'Neill said part of the thrill the Wilson tapes are watching those who've never seen him perform before.

"Jackie's daughter (Sabrina Wilson) had seen the video at the (kickoff party in July) for the first time," O'Neill said. "She just kind of sat there mesmerized by the whole tape."

FOR O'NEILL and the rest of the Shindiggers, the video collection offers a chance to reminisce.

The show was the first prime time vehicle devoted to pop music. Most of the appearances by artists were live, not lip-synched. "Shindig!" also featured multiple artists' melodies concluding the show.

More than anything, "Shindig!" harks back to a somewhat simpler time when radio disc jockeys like O'Neill could single-handedly break new acts. His show was instrumental in doing just that.

"The artists wanted to be on 'Shindig!'," O'Neill said. "It was a big production. They knew they were going to look good and they knew they were going to be in good company. And they were being exposed to audiences across the country."

"Shindig!" also helped resurrect the music careers of people like Little Richard and Jerry Lee Lewis, whose fortunes plummeted after his marriage to a 14-year-old third cousin became public.

"I just saw Jerry Lee Lewis a few months ago and he still thanks me profusely for putting him on," O'Neill said.

The 30-minute "Shindig!" videos cost \$14.95 each and are available at local video stores.

Down to Earth

How do you get children interested in the environment and ways of protecting it? Turn them into Earthkids.

Earthkids is a new line of children's clothing and accessories by Karen Wiand and Mary Bush specially designed to help kids learn how they can protect the environment. The screenprinted designs are playfully illustrated with clever, but simple, messages on 100-percent cotton or 50/50 cotton-poly T-shirts, canvas totes, reusable lunch bags and other accessories in toddler sizes (XS-L).

Earthkids fun wear is available at Lotus Imports in Royal Oak, Kiddywinks in Birmingham, 16 Hands in Ann Arbor, Raspberries in Waterford and Ragamuffins in Traverse City or by calling 644-7926.

Old but new

They look like they've just been pulled out of a trunk in grandma's attic, but Attic Babies are anything but old.

There's a nun, Mother Mary Martha O'Reilly (\$49), a mischievous looking Choo-Choo Charlie (\$49) and Sara (\$41), a baby doll dressed in tea-stained cotton and lace, not to mention Luscious Lulu with her feather boa, Skinny Minnie with her long, thin legs, Nurse Noodles, Dr. Doodles, Midlife Mable, the Bag Lady and fireman. Each has its own character.

Priced \$37-61. Wooden tricycle is \$61. Available at The Apple Wreath, 32626 W. Seven Mile Road, Livonia.

Are You Ready to Step Up?

I approach my job as a professional and I am good at meeting a challenge of a high traffic sales floor. I work harder than most and it pays me well. My company provides me with a well displayed showroom, great inventory and plenty of opportunity. I like working here because I know my customers get their moneys worth. I earn \$2500 a month and I'm not the highest paid in the company. I also have a superb benefit package, among the best in the industry. If this sounds like you, we should talk.
